President's Report

Fellow Members

It gives me a great deal of pleasure to submit this report for the 2007/2008 season.

I would like to thank on my own behalf and that of the our members – Secretary, Michael Sheehan, ably assisted by Minute Secretary, Lisa Passmore and our Treasurer, Yvonne Hayter, for a tremendous effort. Taking on these most important positions is not easy and they carried out their duties conscientiously and with a great deal of confidence.

Another successful season for Killcare SLSC with no lives lost and no major incidents. This is due to the dedication, commitment and professionalism of our patrolling members who freely volunteer their valuable time to ensure a safe swimming environment for the locals and visitors alike. Please accept my personal thanks for your courage, skill and commitment. I would like to especially thank our Club Captain, Jim Willis for the proficient manner in which he made sure our patrol rosters covered all of our commitments for the season. Club Vice Captain ,Peter Bagnall ably assisted Jim. I would also like to thank those members who gave up their family commitments and voluntarily patrolled the beach on Christmas Day .I would also like to congratulate those members who responded to the call to assist with patrolling for the Entrance SLSC, due to a decline in patrol membership at their club. To all patrolling members of our Club you are a credit to Surf Life Saving.

We started the season with only 57 Patrolling members and ended the season with 67 patrolling members, we also now have 30 qualified IRB Drivers on patrol a dramatic improvement on recent years. Many members have gained Radio Officer certificates as well as Advanced Resuscitation.

Congratulations to all of those members who achieved SLSA awards during the season, I am sure you all received a great deal of satisfaction and knowledge from your participation. These results would not have been possible, only for the dedicated commitment by our Chief Instructor, Peter Bagnall and his helpers which seen a record number of awards this

season, for our club – 10 Bronze Medallions, 5 Surf Rescue Certificates, 9 Spinal and Defibrillation Certificates, 3 Gold Medallion (Advanced Lifesaving) and 10 Cert II in Public Safety Certificates. Jared Ginsberg our IRB Captain and Training Officer

was responsible for the training of 4 members who completed their Silver Medallion IRB Driver, and 8 IRB Crew Certificate. A total of 49 awards for the season, this is a tremendous effort and I am confident the Club is in good hands with the continued support of these dedicated members.

During the season we carried out a total of 33 rescues, 8 with no gear, 13 with rescue tube, 4 with rescue board, 8 with IRB and we also dealt with 90 first aid cases

I take this opportunity to thank Cathryn McMaster our Youth Development Officer assisted by Karen Burke our Rookie Co Coordinator and Lauren Bagnall our Cadet Coordinator plus the age managers, water safety patrols and the mum's and dad's for the tremendous job they carried out during the season to make our Nippers, Rookies and Cadet programs more interesting and rewarding." A job well done."

I would on behalf all members congratulate those members who competed at Branch, State and Australian Surf Carnivals, in particular I would like to mention the effort our Open Men's Beach Relay team that ran 3rd at the State but unfortunately were eliminated due to a technicality at the Australian Titles, also the great effort at the Branch and State of the under 15 Boys Beach Relay team with a 2nd at Branch and a strong performance at the State.

Congratulations to the winners of the following most highly prized awards for their continued commitment and dedication to the club.

R.J Tubby Trophy for Most Outstanding Member

Stephen Hayter

Allan Burgess Memorial Trophy Runner Up Most Outstanding Member

Peter Bagnall

Stephan Forbes Memorial Trophy Most Valuable Member

Jared Ginsberg

I would like to congratulate Lex Cameron on being awarded Life Membership of Surf Life Saving Central Coast. I was also awarded with this great honour; we now join Dr Martin and Allan Duell, who are also Life Members of the Branch from this Club.

The Club had a good year financially, thanks again to our Sponsors: Ettalong Memorial Club, Gosford City Council, DHL, Energy Australia, Westfield for Rookie programme, Blue Tongue /John Singleton, Killcare Cellars, Wagstaffe General Store, Raine and Horne, Ray White (formerly Araluen Real Estate), Simon And Peter from Hardy's Bay Fish and Chips, Hardy's Bay RSL Club Ltd. and Liberty Service Station.

To our public spirited donors a most SINCERE THANK YOU for your financial assistance through our Door Knock Appeal and your individual donations. A very special thanks to all of the members who assisted with our Annual Door Knock Appeal, don't forget more hands make light work as this is our major fundraiser for the club each season.

The Surf Club has now been demolished and local builder and member of Avoca SLSC ,Mr John Mitchell's construction company is now constructing our new Clubhouse. John was the builder of the new Avoca Beach SLSC and I am confident that our club will be a showpiece when finished later this year. I would like to thank Gosford City Council for having the foresight to see the growth potential in Surf Life Saving and for the initiative in the Surf Club Replacement Program. Thanks to the building Committee for the effort they have put in to make this project come to fruition, especially Karen Burke for her creative designs.

To the Committee and all members thank you for your assistance and co-operation throughout the season, you certainly made my job easy.

I would like to take this opportunity to thank all of the well wishes I received on being elected Mayor of Gosford City Council

J.M.Macfadyen J.P, President

Once again I would like to thank our auditor, Darrol Harmer, for his continued support of our club in auditing our financials, and which he has done for numerous years.

There were a couple of good social events held this season. The 75th Anniversary Dinner which was well attended and quite a social highlight, and 'Last Drinks' night was held on the Australia Day weekend prior to demolition of the surf club, this night was both financially and socially successful where a net profit of \$4,324 was made.

INDEPENDENT AUDIT REPORT

TO THE MEMBERS OF KILLCARE SURF LIFESAVING CLUB INC

Scope

The financial report comprises the Summary of Balances and Receipts and Payments statements for the General, Fundraising and Term Deposit Bank Accounts of the Killcare Surf Lifesaving Club Inc for the year ended 30 April 2008. The Committee of Killcare Surf Lifesaving Club Inc is responsible for the preparation and presentation of the financial report. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

We have conducted an independent audit of the financial report in order to express an opinion to the members. Our audit was conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material aspects the financial report presents fairly in accordance with the Accounting Standards in Australia and the Charitable Fundraising Act 1991 and other mandatory financial reporting requirements in Australia.

We formed our audit opinion on the basis of these procedures which included:

- Examining on a test basis, information to provide evidence supporting the amounts and other disclosures in the financial report and
- Assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates.

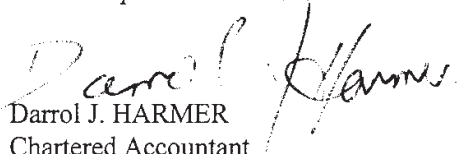

While we considered the effectiveness of the club's internal controls over the financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on the internal controls.

Independence

In conducting our audit we followed applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In our opinion, the financial report of Killcare Surf Lifesaving Club Inc presents a true and fair view in accordance with applicable Accounting Standards and other mandatory professional reporting requirement in Australia, the financial position of Killcare Surf Lifesaving Club Inc. as at 30 April 2008 and the results of its operations and cash flows for the year then ended.

Club Captain Report

The season under review has been a positive and successful one “no lives lost on patrol”.

I would like to take this opportunity to thank all our members for their contribution, especially those active patrol members and patrol captains whose skill and vigilance keep the public safe on our beach and in our surf.

I would also like to congratulate the club’s instructors, Club Vice Captain, Peter Bagnall and IRB Captain, Jared Ginsburg, for their success with both bronze medallion and IRB driver squads. Pete and Jared have been invaluable in the assistance that they have given me this year, in my role of Club Captain, and a lot of the time the job would not have been done if not for them.

I look forward to the opening of our new club house next season, and I am confident that as a team we can meet the challenges and opportunities that an exciting future brings forth.

Jim Willis, Club Captain

Chief Instructors Report

This being my first year as Chief Instructor I found it to be a very challenging and rewarding role. I must admit I had a lot of fun especially my first class, although at times neither of us knew who was teaching who. I would like to thank Lauren Ginny Ginsburg for helping me with this group. Lauren not only assisted me in training this group but also found it very useful herself, especially when we were doing the oxygen resus section of this course as Lauren was we able to practically demonstrate the advantages of pure oxygen after late nights at Largo night club.

I would also like to thank previous instructors David Sneddon and Christine Ford for their support and assistance and on passing on material that they had previously used. I would like to also thank Jonathan Burke for assisting in water safety and board paddling tips when required. A big thankyou to Jared Ginsburg for training our 4 new IRB drivers and 8 crew people this season this was a job well done.

Unfortunately I did not to get as much training done this season as I would have liked due to illness but we did manage to get 10 new Bronze Medallion

holders, 6 Advanced Resuscitation Certificates, 5 Surf Rescue Certificates (CPR endorsed) and as previously mentioned 4 new IRB drivers and 8 crew members. I would also like to congratulate all the members who gave up their time and attended course conducted at Central Coast Branch and obtained awards in Defib, Spinal Management, Advanced Emergency Care and Silver Medallion Basic Beach Management. Also congratulations to all the nippers in the club for obtaining various surf awards through out the season. I would also like to take this time in acknowledging Paul Duffy, Scott Norris and Catherine Norris on obtaining their Gold Medallions (Advanced Lifesaving). This is a very prestigious award and further adds safety and knowledge to our beach patrols.

I would like to thank the committee for all their help and support this season and to all the members who obtained awards this season well done and look forward to seeing you all on the beach next season.

Peter Bagnall, Chief Instructor

Junior Activities Report

This season we made surf education a priority and each Sunday during Nipper activities focussed on skills and surf awareness. The four championship days we were to hold were hampered with rough conditions and storms. Handicapped events were replaced with a rotation of board, swim, flags, sprints, games and surf education. I especially appreciate the information and encouragement given by Andrew McIvor from SLS Central Coast.

Thanks to the following Age Managers who are dedicated and enthusiastic in their role in making Sunday activities fun while educating our juniors in being safe at our beach. Rookies coordinators – Karen Burke and Julia McEwen, U11 & U12 – Phil Passmore and Andrew Cole, U10 – David Sneddon, U9 – Yvonne Hayter, U8 – Heidi Holt, Annemarie Egger and Nic Uri and U6 & U7 – Steve Hayter, Justine Sneddon and Ian Hughes.

The Age-Managers role is to educate the juniors in surf skills such as reading the surf, looking for rips and hazards. The children are encouraged to enter all the events especially the swim and board where they can gain confidence and lifesaving skills.

Water safety is necessary to run any water activities and thanks to Neil McMaster coordinated the teams – Jim Porter, Ian Duffy, Malcolm Cooper, Rhys Cooper, Alex Burke, Kynan Hughes, Peter Ardill, James Scutts, Tom Scutts, Moya Burke, Luke McMaster, Elizabeth Ardill, Rachel Brown and Mikayla Holt (my apologies

to anyone I've missed). Thanks also to Jared Ginsburg and all the IRB drivers and crew who assisted with the water safety. I thank all the Patrol Captains and their Patrols for their continued commitment in giving support to the junior members.

Killcare was represented at Branch, which was held at Ocean Beach by the following Juniors: Jessica McCarthy, Eloise Rieman, Scott McMaster, Kayd Donkin, Bonnie Cooper, Blake Donkin and Jake McCarthy.

Congratulations also to Jessica and Jake McCarthy and Kayd and Blake Donkin for competing in the Youth Ironman events at branch level this year.

Wendy Sheehan was once again kept busy with in her role as board captain. Our Club boards are obviously looking their age and Wendy, together with Michael, has regularly checked the condition of the boards and organized repairs as necessary. Thanks Wendy.

Cathryn McMaster, JAC

IRB Captain's Report

I'd like to thank everyone for their support throughout the season. In particular I would like to thank my father, Steve Ginsburg, for again helping out with maintenance and servicing of our outboard motors to ensure they were ready and reliable for the season.

The IRBs this season proved their importance through being utilised for water safety at nippers and club events and also rescues and preventative actions.

During the season a number of members attained their IRB Drivers and/or IRB Crew qualifications. The result was four members gaining their IRB Drivers, four

members gaining their IRB Crew and obtaining both their IRB Drivers and IRB Crew awards. Congratulations to all, as it is not an easy skill to learn. Next season we encourage more members to go on and obtain the skills necessary to operate these vital pieces of rescue equipment.

Congratulations to David Sneddon and Scott Norris for being accepted into the Central Coast Yellow Pages RWC Power Craft Support group. David and Scott will be training in the use of Rescue Water Craft or RWC to save lives on our beaches. Killcare now has three members in this support group.

In November we purchased a new Tohatsu 25 hp outboard motor for the club as the previously owned one was over seven years old. This new motor has been sealed in case there is interest to race if Killcare got a team together. At current standing we have three outboard motors and three IRBs. One of those motors is due to go back to Council at the start of next season and in return we will receive a new motor under the Council water safety levy.

I would like to thank Gosford City Council and Craig Glasby from Liberty, Empire Bay as all this would not have been possible without the generous support Craig and Gosford City Council has given us over the season. Gosford City Council helped out when unfortunately our old club owned outboard motor was stolen and they lent us an extra outboard motor until we got ourselves back together again.

Jared Ginsburg, IRB Captain

Boat Captain's Report

The 2007-2008 season saw the return of competitive surf boat rowing to Killcare with a Masters Crew rowing in the Peters Boat Series and the Coffs Harbour Boat Carnival. The sight of the Killcare boat at carnivals this season was a topic of much discussion amongst current and former boat rowers. The crew comprising of Steve Ginsberg, Jonathan Bourke, Richard Spillane, Tony Newton and reserve Greg White, and swept by Chris Blackmore was competitive in all races with the season highlight being a silver medal in the 180 years age group in the Branch Championships.

During the season maintenance was carried out on the surf boat and oars. This equipment will be serviceable for the coming 2008-2009 season, however consideration will need to be given to upgrading in future seasons.

Special thanks to the surf boat sponsors, Hardys Bay Fish and Chip Co., Ray White Real Estate Killcare and Westrac Rentals. Wendy Best and the team from Ray White donated \$800 early in the season for a new timber sweep oar and rowlock and Westrac Rentals paid \$2200 for a much needed new boat trailer. Over the Easter Weekend Hardys Bay Fish & Chip Co. put up some seafood hampers for the boaties raffle which raised over \$1000 for the club.

The upcoming 2008-2009 season is looking promising with male and female Masters Crews expected to be competing for Killcare. As the season approaches it is hoped to commence training an Under 19 boys crew.

Tony Newton, Boat Captain

Board and Ski report

2007/2008 season has been the best ever for members use of the club's boards & skis. A special thanks to Jim Willis for all his effort with board training during the season.

Once again I have enjoyed this position and look forward to next season, if I am required. The count of club boards is as follows:

17 foam nipper

15 race nipper of which 8 are Gardner in good repair, also 1 new Bennett

9 surf rescue, also 1 foam rescue

7 surf boogy boards

3 Gardner race boards

2 Bennett race boards

1 Kracka race board

Many of our club's boards both Nipper and senior are in poor condition would be hoping to replace some of these during the next season.

Wendy Sheehan, Board and Ski Captain

Club Coach Report

Another season has come and gone, and with it the club house that has served us well for last 35 or so years, was sad to see it go but we look forward to the building of our new premises.

As a life member of Killcare S.L.S.C. it gives me a great

deal of satisfaction to see the Club continue to grow and strive to improve each year, and the past season is no exception.

The patrols were once again very strong and the 7 patrol captains must be congratulated for a very vigilant season.

The management committee once again steered the club in the right direction in what was a difficult year towards the end with arrangements to be made for storing our equipment in containers for probably 9 months.

Once again the weekend events were held most Sundays and fierce competition was most evident, the club championships over the 3 rounds was well attended and congratulations go to the winners and placegetters, well done by the organisers Steve Hayter, Neil McMaster and Peter Bagnall.

The Branch Championships were held this year at Ocean Beach and the new kids on the block did us proud, under-15 competitors Mitchell Cole, Dante Porter-Witt, Brandon Walker and Taylor Flynn won the beach relay and Taylor and Brandon gained places in the sprint and flags.

This team backed up at the State Titles making the final and finishing 5th. Brandon also made the semi-finals of the sprint and flags, a very good effort.

Alex Burke was once again prominent gaining a place in the sprint at Branch and competing very successfully at local and Sydney carnivals also at State.

Our Seniors once again had success the team winning the Branch beach relay, Brice Johnson winning the sprint, with Michael Wall finishing 3rd.

The State titles for the senior team consisting of Joel Maybury, Marcus Kain, Brice Johnson and Adam Bird was moderately successful finishing a close 3rd in the final and Marcus Kain finishing 4th.

Australian Titles held at Perth for the 2nd year was a disappointment, although leading well into the final leg we were passed and finished a close 3rd. Only to be disqualified on a technicality, Joel Maybury and Michael Wall made the semi finals of the Sprint.

Next year will be a good year for Killy, with a group of younger members ready to move up; hopefully we can channel some competitors into swimming and craft events.

John Bourne, Club Coach

75th Anniversary and Last Drinks

75th Anniversary

The Club's 75th Anniversary celebration was considered a great success by all who attended the afternoon and evening events. A long lead-up to the day saw 450 invitations mailed out, an advising article in the Sydney Morning Herald two months prior, and many emails.

The celebratory day started with afternoon tea and cakes for community groups and members, which was very well attended. The President advised those enquiring about design details of the new club house, and initial plans were displayed along with a photo gallery of club members and events courtesy of Jim Tubby. All those attending the tea were congratulatory about the birthday event, and there were no cakes left afterwards despite a table groaning under the weight of goodies. Once again the Club ladies surpassed themselves in the organising of refreshments.

The dinner evening began at 6.30 pm, and all arriving guests were given an embossed commemorative beer, wine or champagne glass. After an official welcome for all guests, dinner was served before the President invited an address from Mr. John Singleton, who during the course of his speech made mention of potential improvements he could envision based on the plans for the new club house. After this, former and life members were invited to contribute their memories about club early days. This was followed by the screening of a Club action highlights program of 2002 events put together by a club documentary maker member, and then it was time for dancing and catching up. Many members reported afterwards of meeting up with old friends for the first time in many years, and hugely enjoying the evening.

The 75th organising committee, comprising Cathryn McMaster, John Kearnes, Steve Hayter and Jeremy Linton-Mann, were very pleased that their combined efforts over several months had led to a truly memorable evening.

Jeremy Linton-Mann

Last Drinks

The thought of having a last drinks at the Surf Club before it was demolished was conceived after looking at the photograph in the Club dated 1969 of the old weatherboard clubhouse.

As the date of demolition was originally February 2008, it was decided to hold the 'Last Drinks' on the Australia Day Long Weekend. A casual night with a band, BBQ and the dress code of 'best beachwear'.

The night was jointly organised by Angus Mackay and myself. On the night there were many helpers, namely Nelson and Caroline Lagos, Neil, Cathryn and Luke McMaster, Peter Bagnall, Sam McFeteridge, Rhys Cooper and Yvonne Hayter. Their help was truly appreciated, without them it would not have been as successful on the night without their assistance.

The night was a huge success with approximately 200 people in attendance. There was a great response prior to the event and there was fantastic feedback after the night.

Financially, it was always hoped that it would break even, but with the sheer number of people attending and the wonderful donations given by various local businesses, the Club raised \$4,324.00.

Hopefully, people will remember not only this great night, but the many others that have been held in the Club over the last 35 years.

Cheers to the old clubhouse.
