## Michael Sheehan

A committed member of Killcare

On the 10th June, 2011 our good friend Michael Sheehan lost his long battle with cancer.

On behalf of the members of Killcare Surf Life Saving Club who were lucky enough to meet and work with this dedicated supporter, we extend our deepest and most sincere sympathies to Wendy and other members of Michael's family and friends.

Michael joined the Club as an Active Member in September 2000 at the age of 53. He loved Killcare, the beach, the Club and the comradeship.

Michael played an active part in the operation of the Club. He was an expert IRB Driver and was always there to support the regular Club training sessions and competitions. He was elected to the positions

of Registrar and then Club Secretary, a position he held until late 2009 when he resigned due to poor health. As Secretary, he spend many hours helping to establish the new Club House, including negotiating sub leases, arranging access security, overseeing the power and lighting arrangements. He also involved himself in the Club finances, particularly the bar and new member registration.

After the Club House was operational he continued to be "on call" when needed to check faulty alarms, adjust the afterhours lighting and deal with the Kiosk and Restaurant's issues.

In 2010 Michael received the well deserved, R. J. Tubby Trophy as the Club's most outstanding member.

Michael will be greatly missed by the many who knew him. His passing is a significant loss to the Killcare and the Surf Life Saving movement.

# AGM 2010

## Killcare Surf Life Saving Club Inc. Annual General Meeting – 24 July, 2010

### Meeting Opened:

4 pm

### Present:

J Woods, K Burke, H Egger, P Bagnall,  
S Hayter, Y Hayter, S Cooper, L Scutts,  
S Noakes, T Donkin, J Bourne, N Urie,  
M Sheehan, W Sheehan, F Canty, P Tubby,  
A Newton, J Ginsburg, J Ford, B Green,  
C Ford, C Ginsburg, T Hester, A Cameron,  
P Scutts, P Duffy

### Apologies:

J Burke, A Egger, W Best, M Donkin,  
P Donkin, B Donkin, J Donkin, M Cooper

### Apologies Accepted:

C Ford

### Seconded:

S Hayter

## BUSINESS ARISING:

### Treasurer – H Egger

The Treasurer's role has been interesting and challenging. There has been a lot more activity with the Functions and purchases for the new building. The accounting package - MYOB has been implemented with the help of the Accountant and T Donkin. The previous Auditor, Darrel Harmer – Harmer & Cassin, Umina has retired. KSLSC engaged Bishop Collins as an Auditor (recommended by SLS-CC). The loss was higher due to purchasing furnishing to make the club operate \$39,000 of the loss was on furnishing. Functions made a profit of \$5,000.

### A Cameron

No Boat Captains report was included in the Annual Report.

**Reply** – that there was no activity this year and a decision was taken to not include one on this basis.

No list of membership categories.

**Reply** – Formatting report if members require it. It can be included in next years Annual Report.

Club of the Year not mentioned.

**Reply** that it is mentioned in the President's report.

Copy of Report – given out at the meeting.

**Reply** – it was available on the website prior to the AGM.

### Annual Report received and adopted:

**Moved:** B Green

**Seconded:** J Bourne

President Burke thanked Greg Judd for the graphic design of the Report.

B Green congratulated J Woods on the Report.

## URGENT GENERAL BUSINESS:

**A Cameron:** Why wasn't J Maybury nominated by the Club for Masters Competitor?

**Reply:** J Bourne advised that it was oversight.

Why wasn't J Bourne nominated for Coach of the Year?

Why wasn't M Sheehan nominated for Associate of the Year?

### Queried

J Macfadyen's 25 years patrol when say only 4 years has been done. Apparently SLS-NSW was approached and there are little records are kept. K Burke was approached in March. "Killcare has submitted a fraud."

**Reply:** An objection in writing would be required to be submitted to the President.

Where were the points lost that KSLSC came 2nd in the Club of the Year competition. **Reply:** The Breakup is on the website. Overall there was an increase in points compared to last year.

### President Burke

thanked the outgoing Committee for their roles. All positions were declared vacant.

# AGM 2010

## ELECTION OF OFFICE BEARERS - AGM 24 JULY, 2010

**Returning Officer:** Brian Green

The following members were nominated and accepted the positions on the day.

Position	Member	Nominated by:	Seconded by:

**Meeting closed:** 4.45 pm

## Presidents Report

I would like to thank the enthusiastic and dedicated committee and club members, that have worked together to make Killcare's 2010-11 season a success.

**Karen Burke**  
Club President

Our second season in the new club building, with its improved and diverse facilities, has seen us through the 'settling-in' stage and we are now in an excellent position to best meet the foremost responsibility of Surf Life Saving in the patrol and management of our beach.

This season we again enjoyed increased membership and additional award members, which has bolstered our patrolling numbers significantly.

Our auditorium and bar have enabled the club to continue its fundraising ability with Art Show, Sunday Sips and hall hire. January saw the annual Killcare 'Art by the Sea' which was our major fundraiser for the season. Again, the show was an enormous success. Thank you to the many club members that gave up their time to assist during the course of the show.

This year we were able to increase our stock of much needed, rescue boards, racing mals, nipper boards and racing skis. This, as well as our improved training facilities, has had a roll-on effect with participation in competition and club events, for our junior and senior members.

Killcare Surf Club had the opportunity to host a Masters Carnival, early in the season, which saw a large contingent of Killcare competitors. It was a great day and inspired many to continue in competition throughout the season.

Successful competition throughout the year resulted in medals at Branch level in all disciplines, including rowing. Masters and Open competitors also achieved excellent results in both water and beach events, at State and Australian levels. Congratulations to coach and competitors, your hard work and success is inspirational.

In conclusion, thank you to the Sponsors of Killcare SLSC and the many sponsors of Surf Life Saving NSW including Gosford City Council for your enormous support to Surf Life Saving on the Central Coast. Also, to all at SLS Central Coast Branch for your guidance, support and encouragement throughout the season.

**Karen Burke**  
**President, Killcare SLSC**

“ THIS SEASON WE AGAIN ENJOYED INCREASED MEMBERSHIP AND ADDITIONAL AWARD MEMBERS, WHICH HAS BOLSTERED OUR PATROLLING NUMBERS SIGNIFICANTLY. ”

“ CONGRATULATIONS TO COACH AND COMPETITORS, YOUR HARD WORK AND SUCCESS IS INSPIRATIONAL. ”

# SECRETARY

**Jim Woods**  
Club Secretary

“ WE RECEIVED AN INCREASE IN ENQUIRES TO THE CLUB. ”

## Secretary's Report

The Committee held 12 meetings throughout the year and dealt with a large number of matters pertaining to all levels of Surf Life Saving, from Australian down to Club level.

Major topics for discussion were the operation of the new clubhouse, including lessees, function room and bar, and improving the Club's financial management and the preparation of budget for the 2011-12 season.

Many thanks to Yvonne Hayter who took responsibility for the Committee Meeting minutes.

With the new Club House and popularity of the Killcare area, we received an increase in enquires to the Club e.g. membership, use of the gym and competition. Thanks to David Sneddon, the Club has an excellent website, which provides information on the Club and contact details for further enquires.

**Hans Egger**  
Club Treasurer

## Treasurers Report

I am pleased to announce that this financial year the club has returned to surplus and that the financial accounting process has been made even more efficient.

This year we built on our previous hard work in re-structuring the accounts to take into consideration the more complex operations of the club.

**The benefits included:**

- Monthly tracking of the Functions business
- Monthly tracking of the Bar takings
- Improved tracking of revenue and expenses

The use of a bookkeeper and MYOB accounting software made it far easier to provide meaningful management accounting reports each month to the committee and this in turn allowed the committee to make timely decisions on financial issues.

It became apparent through the year that the Bar was continuously running at a loss and as a result the committee decided to implement a system of volunteer bar staff drawn from members rather than paying for staff. Also towards the end of the year, the Kiosk was invited to provide food for Sunday Sips and these two initiatives saw the Bar become profitable towards the end of the financial year.

You will notice that note 2 to the Financial Statement (please refer separate document) shows substantial differences between the 2010 and 2011 revenue and expenses. Due to this year's improved Chart of Accounts and use of MYOB, we believe that the 2011 figures are a much better breakdown. As a result we have been able to produce a monthly budget for the next year of operations to allow us to better manage the business.

Thanks to Julie Oliver's hard work, the Functions business continued to build on last year's success and finished the year profitable

and with a healthy number of bookings for the next 12 months.

Rent from the Kiosk and Randalls Restaurant were paid up to date at the end of the financial year and a special thanks to Tony Newton for helping to resolve a dispute in this regard.

For the next financial year we will also be conducting a review of the Asset Register to write down smaller items and reduce the list of depreciable items.

### Comparison of Income and Expenditure

Financial Years 2011 to 2010

Income	2011	2010
Total Revenue	\$238,027	\$210,613
Total Expenses	\$235,001	\$255,587

Revenue for the year increased by \$27,414.

**This was mainly due to:**

- Increased membership
- Increased sponsorship – (thanks to Mark Donkin)
- A number of grants received throughout the year

Expenses for the year were also lower than last year, however we still had a number of one off new items that were purchased for the clubhouse.

“ **REVENUE FOR THE YEAR INCREASED BY \$27,414.** ”

Next year we expect to improve on this surplus as:

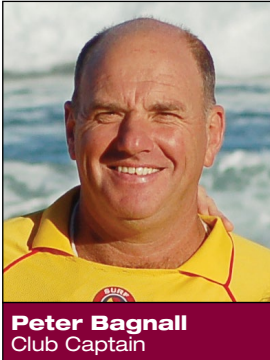

- Membership should continue to increase
- The function business should become more established
- Bar costs have been reduced

### Hans Egger

“ THANKS TO JULIE OLIVER’S HARD WORK, THE FUNCTIONS BUSINESS CONTINUED TO BUILD ON LAST YEAR’S SUCCESS AND FINISHED THE YEAR PROFITABLE AND WITH A HEALTHY NUMBER OF BOOKINGS FOR THE NEXT 12 MONTHS.

”

**Peter Bagnall**  
Club Captain

“ THERE WERE  
84 MEMBERS WHO  
COMPLETED THEIR  
100% AWARDS THIS  
SEASON. ”

## Club Captain's Report

Once again Killcare Surf Club enjoyed a strong season both on the beach and in competition. It was great to see an increase in both social and patrolling members.

As in the past, a big part of this growth is due to the hard work and long hours done by Killcare Chief Instructor Christine Ford ably supported by Suzi Noakes. Together they put through 21 bronze holders, 10 SRC and 40 other awards. Not letting his mum take all the credit, Joshua Ford trained 6 IRB Drivers and 10 IRB crew. A great effort from Joshua as he also held the position of IRB captain and junior Club Captain, all the while juggling his HSC studies.

I would like to thank our patrol captains James Staniford, Hans Egger, Jonathon Burke, Dave Sneddon, Nic Urie, Phil Scutts, Phil Tubby and Paul Duffy for their support and leadership shown to their respective patrols this season. Having dedicated captains like these people makes my job easier and it is a great feeling knowing that the beaches are safe for all to enjoy. It would be great to see a few more people go for the Patrol Captains Award so we can add some extra patrols in the future.

Congratulations to Patrol 5, jointly captained by David Sneddon and Nic Urie, for taking out this season's patrol of the year. A job well done by all the team. There were 84 members who completed their 100% awards this season. Another great result and thanks to all who achieved this milestone.

A big thank you to Jarred Ginsburg, Yvonne and Luke Hayter, Caroline and Rafael Lagos, Ashley Good, Mark Krebs, Bryce Cameron, Leah Fotofili, Nathan Loker, Steven McCoombe, Brad Scott (Avoca) David and Dougal Sneddon, Saxon Walker, Laura Washington and Jim Willis who gave up some of their valuable family time on Christmas Day to patrol the beach.

I would like to thank Jonathon Burke, our club Vice Captain, for his support and help this season. Jonathon ran our club swim and handicap events each weekend. The season started off with strong attendance, especially in the swim, but unfortunately tapered off a little at the end of the season. I strongly recommend that next season more of you get down for the events, not only for the social side of it, but also to help with fitness and surf skills. Jonathon also did a great job in running our club championship rounds this season. I would also like to take this opportunity to thank Steve Hayter who assisted with beach events during the season. Also thanks to Tony Newton for carrying out most of the water safety for this season's club championships.

Finally, thank you for everyone for all their efforts, both on the beach patrolling and behind the scenes, in making this season once again successful and one of the biggest in many years.

**Peter Bagnall**

## Club Coach's Report

Another season has come and gone and the club continues to grow strongly, both in numbers and competitive activity.

**John Bourne**  
Club Coach

The weekly events, swim & beach were very keenly contested and improvement over past years has been evident. The club championship, although cut short by the postponement of the final water events, was very competitive. This year the club championship reached a level in board & ski events never seen at Killcare. It was great to see & hope we can build on this.

Congratulations to Bryce Cameron & Natasha Martine for their wins in the Open Men's & Women's Championships. Also to Leah Fotofili for her win in the Combined Handicap Events.

With the purchase of new equipment for next year, it would be great to see our younger members involved in board & ski events at carnival level.

At Branch level we were very successful in the combined Open / Masters carnival winning 10 events, including Bryce Cameron's gold in the Tube Rescue event, plus other placing in swimming and craft events. Micky Hofer & Joel Maybury won Gold in both the Open & Masters Beach Sprint, Phil Tubby Gold in the Sprint & Flags and 140 years beach relay other team members Mark Krebs, John O'Malley & Joel Maybury. Also, our U/ 19 boat crew secured a silver medal in the Surf Boat race – it's a long time since we have secured a medal in this event. A very pleasing result in the men's U/15 beach relay, was a Gold Medal to Killcare (Scott McMaster, Luke Hater, Kayd Donkin & Tom Hagistefanis).

The State Titles were held this year at Kingscliff and a small team travelled to this carnival. We managed 2 gold & 5 Silver medals with Michaela Hofer winning the sprint & flags while silver medals came from Bryce Cameron (tube race), Leah Fotofili (beach flags) and Phil

Tubby (beach sprint & flags). The women's beach relay team, comprising Lisa Sanasi, Micky Hofer, Leah Fotofili & Laura Washington finished a close second behind Queenscliff. Other really good results were recorded in individual events by Lisa Sanasi, Julian Hofer, Laura Washington & Leah Fotofili.

The Australian Titles were held at Kurrawa Beach Qld and we stayed at Broadbeach which was ideal for our preparation. A team of 11 members came home with 2 gold, 4 silver and a bronze.

Phil Tubby won the beach flags his first individual medal gained at an Australian Titles. Also Joel Maybury retained his over 35 years title in the beach sprint. Silver medals were won by Joel Maybury (beach flags), Micky Hofer (beach sprint), Men's 170 years beach relay (Moses Fotofili, Phil & Colin Tubby, Joel Maybury), Women's 140 years beach relay ( Tegan Spackman, Leah Fotofili, Micky Hofer & Laura Washington) and a Bronze medal to Colin Tubby in the Beach Flags.

Next year the World Championships will be held in Adelaide and with the Branch, State & Aussies it will be a very long season.

These results could not be gained without the full support of the Committee & Members whom at all times were very supporting.

Finally, the Gym is open most days for your convenience. Looking forward to more attending.

**John Bourne**

“ AT BRANCH LEVEL WE WERE VERY SUCCESSFUL IN THE COMBINED OPEN / MASTERS CARNIVAL WINNING 10 EVENTS ”

**Christine Ford**  
Chief Training Officer

“MANY OF OUR NEW MEMBERS GAINED NOT ONLY THEIR BRONZE MEDALLION, BUT ALSO ADVANCED RESUSCITATION TECHNIQUES CERTIFICATE AND RADIO OPERATORS CERTIFICATE.”

## Chief Training Officer's Report

Another successful season has come to an end and congratulations to all our new patrolling members in gaining their Bronze Medallion and also to those current members who increased their skills by gaining new awards.

This season I was again extremely fortunate to have Suzi Noakes assist me with theory and resuscitation training, which was greatly appreciated. Also this year I am grateful to Deb McMeniman, a new member who was so very helpful with resuscitation training.

Joshua did a great job training a large group for their IRB Crew Certificate and 3 more for IRB driver as well. Congratulations Joshua.

As you can see from the list of awards following this report, many of our new members gained not only their Bronze Medallion, but also Advanced Resuscitation Techniques Certificate and Radio Operators Certificate. This showed a great commitment to becoming not only patrolling members of our Surf Club but also extremely competent Life Savers.

I would also like to thank our examiners; Phil Harding, Pam & Jared Edmonds, Andy Wing &

Bob Powell, for their time. Without dedicated examiners none of this is possible.

Next season, I believe there are more changes coming to resuscitation so there will be much to do to ensure everyone is trained to accommodate these changes.

Lastly, I would like to thank my fellow club members for all their support and encouragement. I will not be standing for the position next season but hope to return to training once my sons finish school.

I have thoroughly enjoyed this role and appreciate the opportunity to have been a part of this wonderful community.

**Christine Ford**

## New Awards

2010 – 2011

Bill McMeniman	Bronze Medallion, ARTC, Radio Certificate & Spinal Management	Joshua Ford	Silver Medallion IRB Driver & Spinal Management & Advanced Resuscitation Techniques Cert.
Johnathon McMeniman	Bronze Medallion, ARTC, Radio Certificate & Spinal Management	Paul Cooper	Silver Medallion IRB Driver
Katia Berne	Bronze Medallion, ARTC, Radio Certificate	Angus MacKay	IRB Crew & Silver Medallion IRB Driver
Angelo M'Tair	Bronze Medallion, ARTC, Radio Certificate	John O'Malley	IRB Crew & Silver Medallion IRB Driver
Don Dennis (Jnr)	Bronze Medallion, ARTC, Radio Certificate	Kynan Hughes	IRB Crew & Silver Medallion IRB Driver
Jared Burns	Bronze Medallion, ARTC, Radio Certificate	Amy Cadwallader	Advanced Resuscitation Techniques Cert.
Cian Donnellan	Bronze Medallion, ARTC, Radio Certificate	Sarah Doakes-Stride	Advanced Resuscitation Techniques Cert.
Gillian Cullen	Bronze Medallion, ARTC, Radio Certificate	Blake Donkin	IRB Crew & Advanced Resuscitation Techniques Cert.
Moses Fotofili	Bronze Medallion, ARTC, Radio Certificate	Leah Fotofili	Advanced Resuscitation Techniques Cert.
Julian Hofer	Bronze Medallion, ARTC, Radio Certificate	Rachel Karrour	IRB Crew & Advanced Resuscitation Techniques Cert.
Andrew Stevenson	Bronze Medallion, ARTC, Radio Certificate	John Kearnes	Advanced Resuscitation Techniques Cert.
Kirsten Tubby	Bronze Medallion, ARTC, Radio Certificate	Natasha Marteene	IRB Crew & Advanced Resuscitation Techniques Cert.
Sarah Ardill	Bronze Medallion, ARTC, Radio Certificate	Garvan O'Gara	Advanced Resuscitation Techniques Cert.
Morgan Behan	Bronze Medallion, ARTC, Radio Certificate	Lisa Sanasi	Advanced Resuscitation Techniques Cert.
Joann Edwards	Bronze Medallion, ARTC, Radio Certificate	Phillip Scutts	Advanced Resuscitation Techniques Cert.
Nicholas Farrell	Bronze Medallion, ARTC, Radio Certificate	James Staniford	Advanced Resuscitation Techniques Cert.
Ashely Good	Bronze Medallion, ARTC, Radio Certificate	Julia McEwen	IRB Crew Certificate
Maddison Lapich	Bronze Medallion, ARTC, Radio Certificate	Ashleigh Richardson	IRB Crew Certificate
Michaela Muir	Bronze Medallion, ARTC, Radio Certificate	Thomas Scutts	IRB Crew Certificate
Ben Morrison	Bronze Medallion, ARTC, Radio Certificate	Megan McEwen	IRB Crew Certificate & Spinal Management
Alex Wells	Bronze Medallion, ARTC, Radio Certificate	Megan Fulton	IRB Crew Certificate
Ashley Coates	Surf Rescue Certificate & Radio Certificate	Steve McCoombe	IRB Crew Certificate
Jessica Duffy	Surf Rescue Certificate & Radio Certificate	Anni Griffiths	Spinal Management
Sarah Duffy	Surf Rescue Certificate & Radio Certificate	Debbie Wilson	Spinal Management, IRB Crew Cert, Silver Medallion Beach Management & ARTC
Madilyn Holt	Surf Rescue Certificate & Radio Certificate	Ann-Marie Egger	Spinal Management
Jessica McCarthy	Surf Rescue Certificate & Radio Certificate	Hans Egger	Spinal Management
Allana Norris	Surf Rescue Certificate & Radio Certificate	Rose MacKay	Spinal Management
Tarni Penn	Surf Rescue Certificate & Radio Certificate		
Kaitlin Woulfe	Surf Rescue Certificate & Radio Certificate		
Reece Woulfe	Surf Rescue Certificate & Radio Certificate		
Rafael Lagos	Surf Rescue Certificate & Radio Certificate		
Mark Krebs	Silver Medallion IRB Driver

Junior Activities

“ OUR CLUB THIS YEAR COMPETED IN MOST CARNIVALS. SEVERAL MEDALS WERE WON ”

## Junior Activities Co-Ordinator's Report

What a season. We had, overall a fantastic season. We started with really rough seas that kept us out of the water for the first four weeks then we were blessed with good weather and seas to enable the Nippers to take part in all the events each Sunday.

### Membership

We ended the year with just shy of 165 Nippers, which is on par with last year.

### Sponsor – Genesys Wealth Advisor's

I would like to thank Hans Egger for this continued support in sponsoring the Nippers. He provided the pontoon and the Nipper Bags for each Nipper.

### Board Training

Thank you to Jim Willis for running the Board Training each Monday afternoon. Thank you also to Sarah Doak-Stride, Angus Mackay, John O'Malley, Luke Hayter and Rafael Lagos for being keen water safety persons at training. If the seas were big at this end of the beach, we had training at Putty Beach end. Each week had up to 30 Nippers attend the training sessions. One day we had 40 Nippers attend training, with all the boards being used that day. The Nippers had fun, but they also gained confidence and skills that will help them when they negotiate the waves at the beach.

### Beach Training

Each Tuesday afternoon Steve and I provided beach training for the Nippers. We covered techniques that would help the Nippers improve in their events. John Bourne also trained some of the Rookies this season.

### Water Safety

Thank you to Neil McMaster for organizing water safety with Patrol members and cadets. Mal Cooper, Sarah Doak-Stride, Leah Fotofili regularly provided water safety.

**Woolworths Fresh Food Kids Community Grant** – I applied for a grant to purchase hats for the Nippers. We were successful in being granted \$1,000. In order to provide each of the Nippers with a hat, we needed to also fundraise throughout the season.

### Fundraising

This year we had several fundraising events:

**Sausage Sizzles** – we held three sausage sizzle days raising \$248. A big thank you to Jason and Mel Cooper and Di Donkin for helping on each of these BBQ's.

**Killcare polo shirts** – these were sponsored by The Fat Goose and organized by Mark Donkin.

**Raffle** – raised \$1628.00. Thank you so much to Mark Donkin for arranging the prizes for the raffle.

Since the end of the Nipper season the club has purchased four (4) new soft foam Nipper boards ready for use next season. These boards were purchased from the proceeds of fundraising this season.

### Carnivals

Our club this year competed in most carnivals. Several medals were won.

This is quite an achievement, when you consider that there are 700 – 1000 Nippers at

each Carnival for the Central Coast.

## Carnival Officials

Along with Steve Hayter who has been a carnival official for a number of years. The Nippers can not compete unless the club provides sufficient ratios of competitors to Carnival Officials. Thank you also to those parents that also assisted at each carnival as we don't have enough Accredited officials.

## Age Manager's

It is without doubt, that Nippers has been such a huge success due to the commitment of the Age Manager's. Their dedication is truly appreciated.

Age Managers	
Under 9's	Jacqui Payne and Susan Franz
Under 10's	Angela Goodwin
Under 11's	AnnMarie Egger and Mark Krebs
Under 12's	Jodie and John O'Malley
Rookie Co-ordinators	Cathryn McMaster, Natasha Martene and Megan Fulton
Cadets	Julia McEwen and Jenette Bringolf

## Rookie Wall of Fame

Congratulations to Luke Hayter for being inducted into the Rookie Wall of Fame at the recent Surf Life Saving Central Coast Branch 'Awards of Excellence' night. Luke performed two rescues this season using the skills that he has learnt through surf lifesaving.

### Yvonne Hayter

Junior Activities Co-ordinator

Age Managers	
Under 6's	Paul Merrick and Steve Hayter

Board Captain

**“ WE HAVE PLENTY OF TRAINING BOARDS AS WELL AS A TRAINING SKI... WE ENCOURAGE MEMBERS TO TAKE ADVANTAGE OF THIS EQUIPMENT.. ”**

## Board and Ski Captain's Report

The club has not needed to purchase any more boards or skis this season due to the care taken of the equipment by members – a big thank you to everyone involved.

We are purchasing four Bennett 'young' nipper competition boards and a Hayden adjustable surf ski in time for the start of next season. The funds for this equipment are from grants and sponsorship. The club has just received a new, lighter rescue board given/won by us at the Central Coast Club of the Year awards where we were placed a respectable sixth place.

We have plenty of training boards and we encourage members to take advantage of this great equipment next season. Younger members need to be supervised when using the equipment outside of club supervised activities and surf skis will suit most members from around 16 years of age. The club has a number of competition boards which have been maintained in very good condition. They are used for competitions including the club championships and for those members that need to practice for surf life saving competition.

It was great to see so many of the older teens trying their skills on the surf ski this season. The variety of inventive styles was pure creativity, lying on the skis when paddling, paddling with hands – no paddle, pushing the ski whilst swimming behind it and riding it upside down for stability! The senior paddlers would love you to approach them next season for tips and encouragement.

The training boards and skis are for member use and it is for security reasons that access to this equipment is restricted at times. If anyone is keen to compete next season, or just improve their board or ski skills, please approach the board and ski officer or any member of the committee to try and organise suitable access and supervision of themselves and the equipment. If using the equipment whilst on the beach of a weekend, let the

patrol captain know you are in the water.

Thank you to all those members in particular the Patrol Captains that helped with keeping an eye on the boards and skis this season, encouraging all people that used the equipment to wash them down before storing and assisted with storage of these fragile and expensive items on the racks. We had less repairs to the boards required this season which is a credit to the handling skills of members and the training that has been provided by some of the senior members to the nippers during the week and on Sundays.

I continue to encourage members and younger member's parents and siblings to ensure anyone using a board or ski on the beach to return it rinsed off to a rack in the storage shed. Remember to carry not drag the boards to increase their longevity.

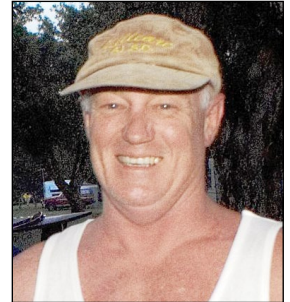

I look forward to seeing lots of equipment out next season being used by a variety of members.

**Paul Duffy**  
Board & Ski Captain

## Boat Captain's Report

This season we continued to build on re-building surf boat rowing at Killcare. We purchased a second hand boat from Newport SLSC and a new set of oars.

**Tony Newton**  
Boat Captain

We are currently doing maintenance work on both of our boats and equipment in preparation for next season.

We were joined by Mel Smith and his U19's crew from Umina who put in a good season of competition in the Peters Series and Branch Championships picking up a silver medal. The Masters mens crew started the season well but injury put paid to that and had to sit out the latter half of the season.

As well as the U19's and Masters mens crews, we also have U23 mens and Masters womens rowers in various stages of training in preparation for next season and we will be looking at getting at least three crews entered in the 2011/12 Peters Series.

Special thanks to Mel Smith for his work both on and off the water since joining Killcare and Ray White Killcare for their continuing financial support.

**Tony Newton**  
Boat Captain

**Josh Ford**  
Jnr Club Captain

## Junior Club Captain's Report

### Activities

The club held a couple of events for the juniors this season including a movie night which despite the poor sound quality was enjoyed by most people and it was a good night for the juniors to socialise and get to know each other better. I have been through the hours from last season and most juniors have achieved acceptable hours and some receiving more than their required hours.

### Competition

This season saw many developments with new competitors, both through rookies and cadets, as well as out of nippers. Amongst these juniors we have two very promising athletes for the Surf Club in Luke Hayter and Rafael Lagos. Both have been training on the new boards and I believe if they continue with this training they could be top competitors for the Club.

**Josh Ford**

“ AS A CLUB  
WE SHOULD BE  
PLEASED WITH THE  
ACHIEVEMENT ”

## IRB Captain's Report

### Maintenance

A great year for the IRBs with the acquisition of a new Tohatsu 25 hp motor, two new propeller guards and two new propellers from grants. Our oldest Achillies IRB is now back to full operation and our motors have all been serviced and are running in top condition. All in all the IRBs have been kept up to scratch despite minor mechanical issues and engine failures through the season. I would like to thank Peter Bagnall, Craig Bently and Nic Urie for their support this season in helping with the operation of the IRBs as their maintenance can be a tedious and frustrating.

### Education

This season we have seen 15 crew and 6 drivers go through their tests and all pass. This is a great increase on last seasons' 6 IRB related awards. I believe there is much work needed to re-educate drivers and crew as they are not testing and pushing their skills. But as a club we should be pleased with the achievement with the IRBs this year and I hope this increase in IRB drivers and Crew continues. Training can be tough and arduous task as much coordinating and organising of classes and resources is required and I would like to thank Craig Bently for his continued support through the training of the Club's drivers, as well as Peter Bagnall. Both gave up much of their time to put through drivers and crew.

**Josh Ford**
