This being the 85th anniversary of the Club, the Annual Report this year highlights some of the history of Killcare Surf Life Saving Club. We're indebted to all those who've gone before us, from the local lads who met under Martin's Tea Rooms and decided to form a surf club, through the many who saw it prosper, the Erko Boys who jumped in at one of its lowest ebbs and the many since who have brought us to where we are today. Special thanks also to Jim Tubby, Lex Cameron, Jim MacFadyen, John Bourne and others who, besides making much our history, had the foresight to document it. Their work is sprinkled throughout this document.

Killcare Surf Life Saving club acknowledges the Darkinyung people, traditional custodians of the land on which our Club sits and the beach that we enjoy and protect. We pay our respects to the Elders past, present and future, for they hold the memories, the traditions, the culture and hopes of Aboriginal Australia. We must always remember that under the concrete and asphalt this land is, was and always will be traditional Aboriginal land.

On a Sunday morning early in November 1929, three local young men, Bob Brading, Fred Annand and Alec Callender, took part in a rescue in the surf in an area commonly used by bathers. Later, back at Alick Martin's tea rooms (*middle right of this picture*), a lengthy discussion took place with a number of locals and holiday makers as how to ensure the safety of swimmers. A surf club seemed the only way to go.

A further meeting of locals was called and in attendance was a member of Ocean Beach Surf Club, Jim Brooker, formally of Bronte Surf Club with local dentist Dr Eric Martin and a number of keen local lads.

As with such ventures nothing comes easy, Alick Martin offered the tearooms as a meeting venue and a storage area beneath the shop was designated to hold any lifesaving gear needed.

Jim Brooker offered to train a squad to gain their Bronze Medallions, and at the same time obtain his Instructors certificate. Time seemed of no great importance and more meetings took place. Some young volunteers dropped out and others took their place. It was not until December 1930 that the serious training started with the loan of a reel from Ocean Beach.

April 5th, 1931 saw the inaugural squad of eleven young lifesavers obtain their Medallions and Jack his Instructors qualification. Of that squad 'Doc' Martin and Jim Brooker went on to become our first Life Members. The tearooms at Martin's Dairy were to remain the unofficial clubhouse of the now established Killcare Surf Club until council built a clubhouse in 1934.

As told to Jim Saunders by Alec Callender, March 1971

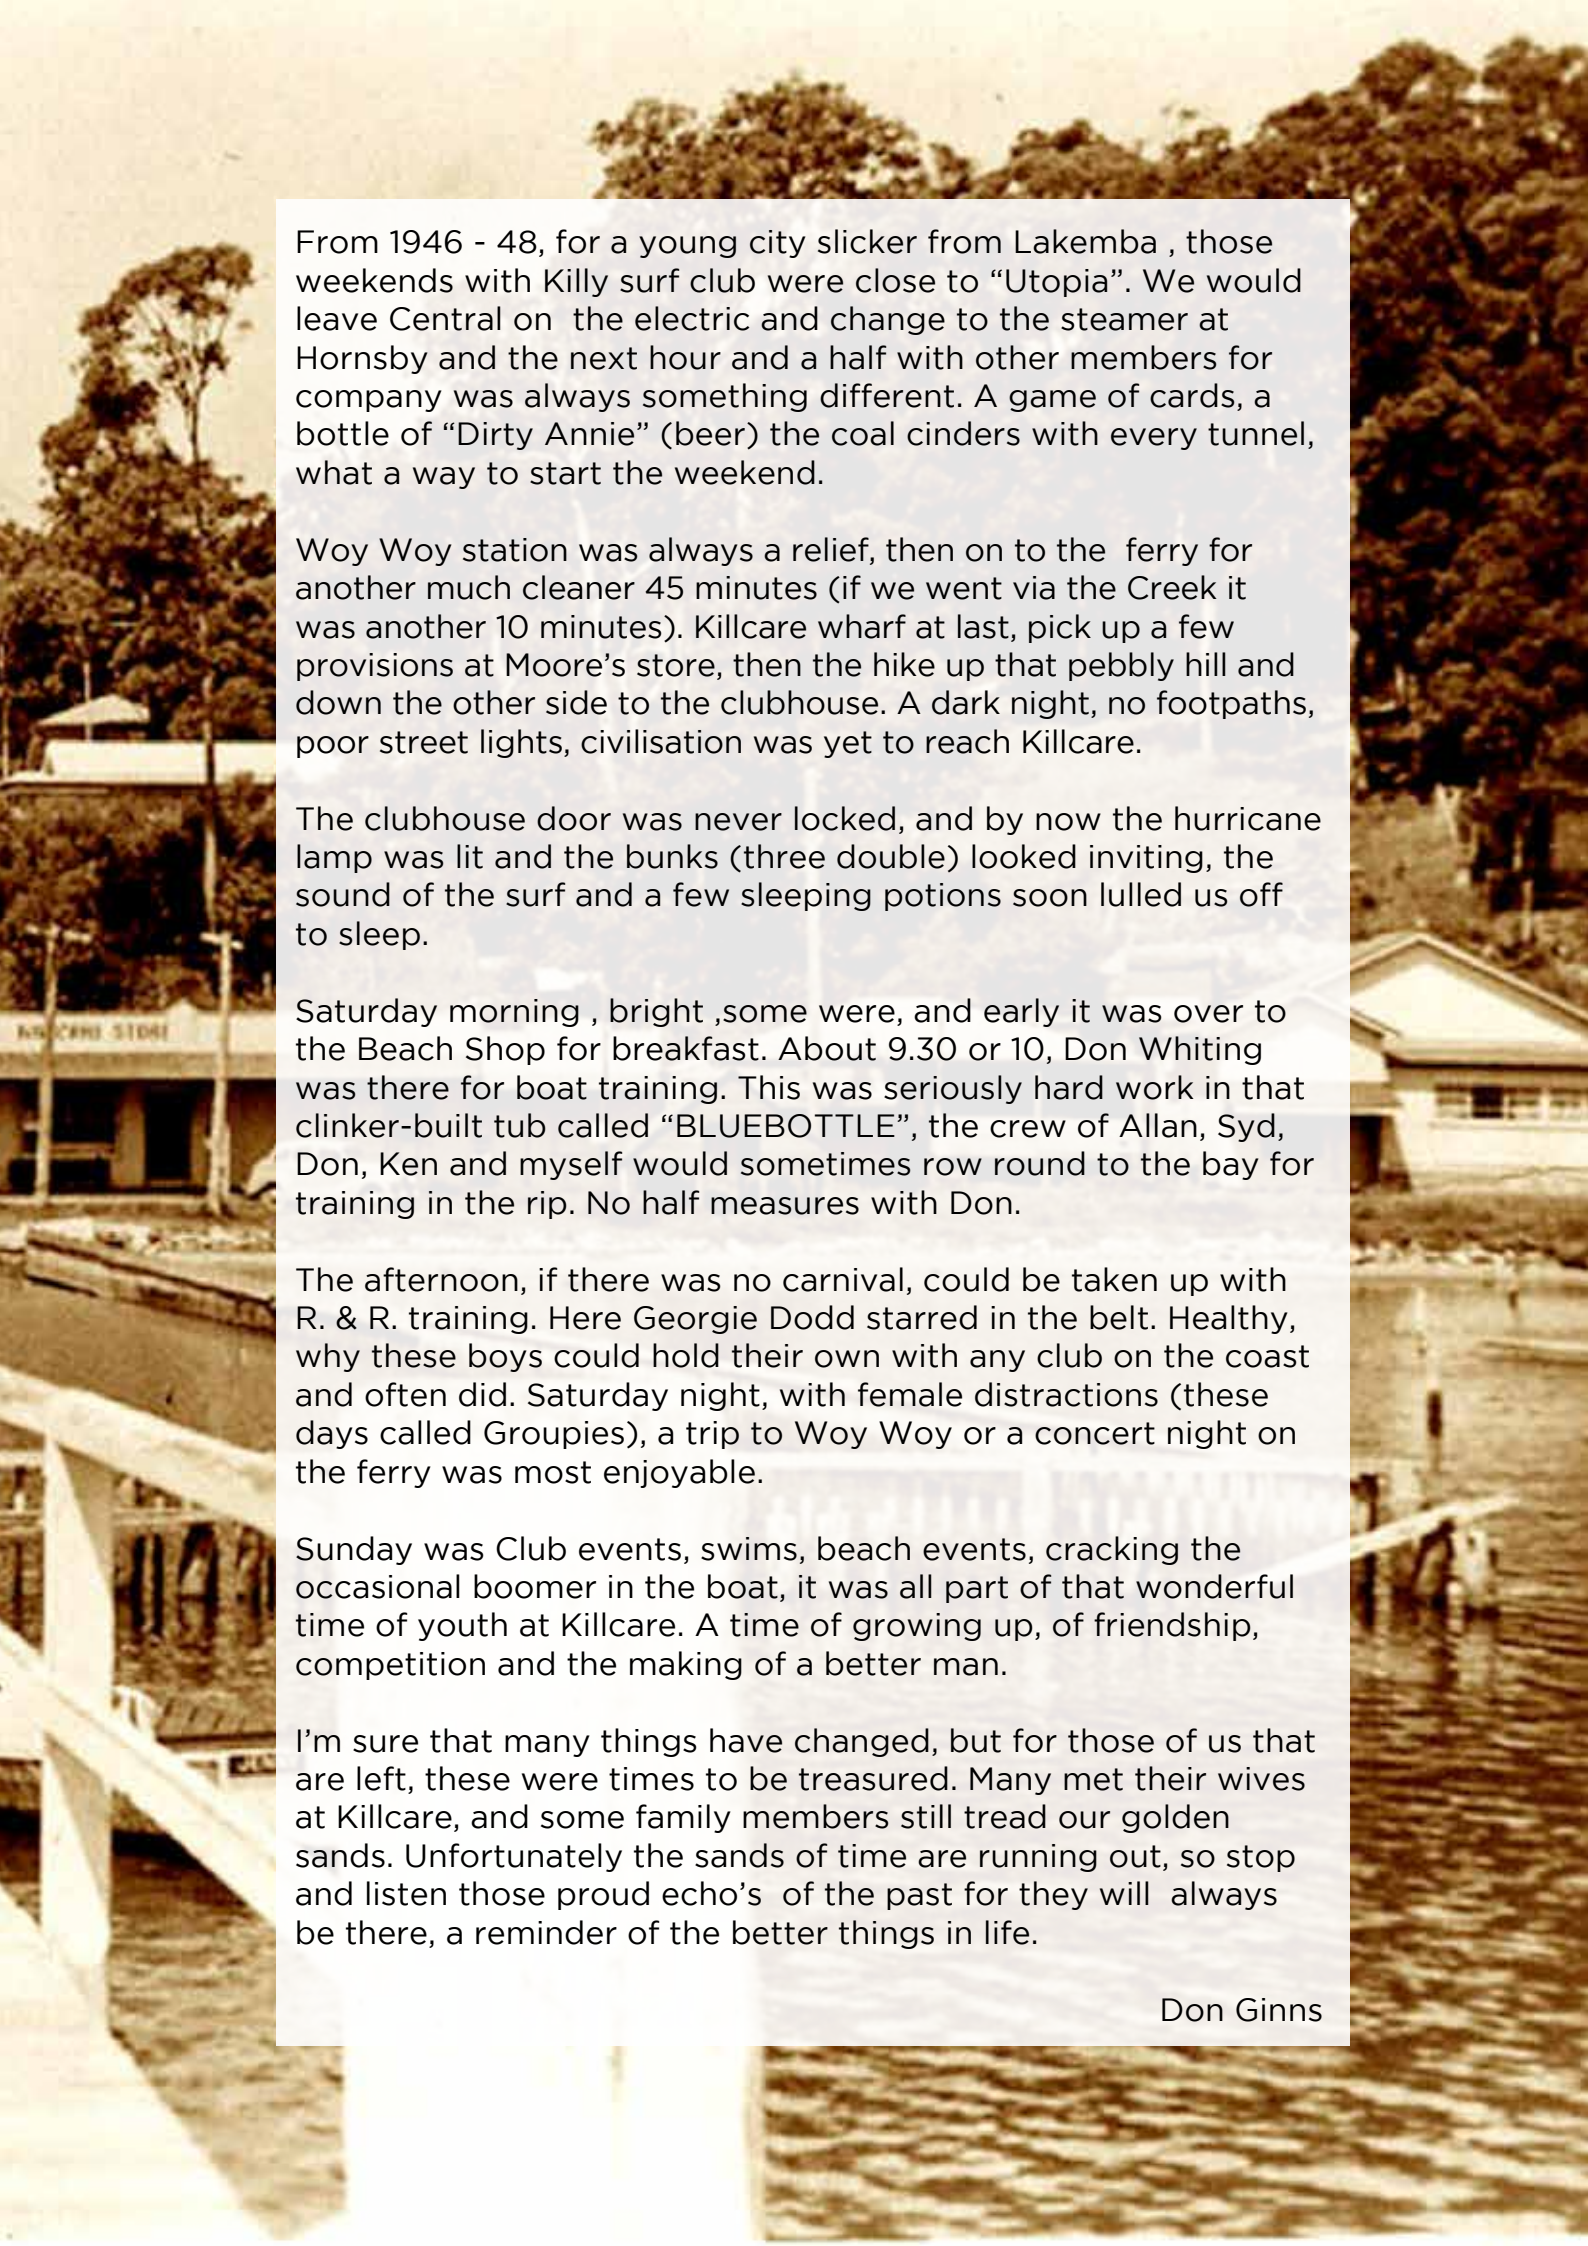

*(l to r) S. Gould, R. Walters, A. Vaughan,
D. Ginns, F. Garlic, 1948*

From 1946 - 48, for a young city slicker from Lakemba , those weekends with Killy surf club were close to “Utopia”. We would leave Central on the electric and change to the steamer at Hornsby and the next hour and a half with other members for company was always something different. A game of cards, a bottle of “Dirty Annie” (beer) the coal cinders with every tunnel, what a way to start the weekend.

Woy Woy station was always a relief, then on to the ferry for another much cleaner 45 minutes (if we went via the Creek it was another 10 minutes). Killcare wharf at last, pick up a few provisions at Moore’s store, then the hike up that pebbly hill and down the other side to the clubhouse. A dark night, no footpaths, poor street lights, civilisation was yet to reach Killcare.

The clubhouse door was never locked, and by now the hurricane lamp was lit and the bunks (three double) looked inviting, the sound of the surf and a few sleeping potions soon lulled us off to sleep.

Saturday morning , bright ,some were, and early it was over to the Beach Shop for breakfast. About 9.30 or 10, Don Whiting was there for boat training. This was seriously hard work in that clinker-built tub called “BLUEBOTTLE”, the crew of Allan, Syd, Don, Ken and myself would sometimes row round to the bay for training in the rip. No half measures with Don.

The afternoon, if there was no carnival, could be taken up with R. & R. training. Here Georgie Dodd starred in the belt. Healthy, why these boys could hold their own with any club on the coast and often did. Saturday night, with female distractions (these days called Groupies), a trip to Woy Woy or a concert night on the ferry was most enjoyable.

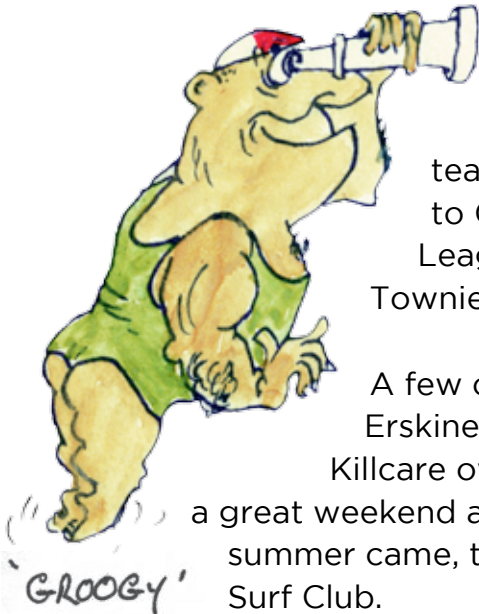

Sunday was Club events, swims, beach events, cracking the occasional boomer in the boat, it was all part of that wonderful time of youth at Killcare. A time of growing up, of friendship, competition and the making of a better man.

I’m sure that many things have changed, but for those of us that are left, these were times to be treasured. Many met their wives at Killcare, and some family members still tread our golden sands. Unfortunately the sands of time are running out, so stop and listen those proud echo’s of the past for they will always be there, a reminder of the better things in life.

Don Ginns

THE BOYS.

The Boys from Erko

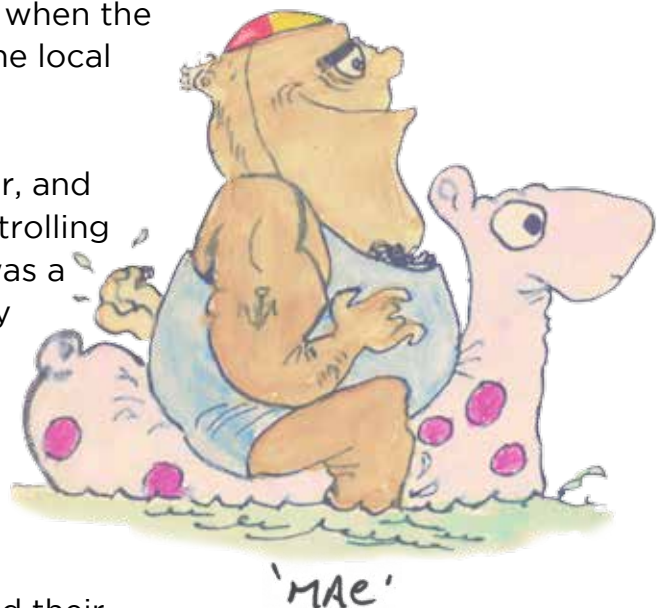

During the winter season of 1958 a strong Rugby League team from Newtown came up to Gosford to play a trial Rugby League game against 'Gosford Townies', the local league champions.

A few of the Newtown team came from Erskineville and stayed at a place at Killcare owned by the Tubby's. They all had a great weekend and decided when the summer came, they'd join the local Surf Club.

Killcare was very lean in numbers that year, and the small influx was a great help to the patrolling numbers as well as Surf Carnivals. But it was a committment - it meant coming up to Killy every weekend to gain their bronze and in those days it was two and a half hour steam train from Central to Woy Woy, then a Ferry to Killcare.

The first 6 gained their bronze in early 1959, including Phil Tubby snr, Rod Roberts, Roger Gurr, Bill Maxwell, Dennis Shoesmith & John Bourne. For the next 10 to 12 years more members came from the inner Sydney Region, swelling the Killcare numbers to record levels and of course the financial side benefited greatly.

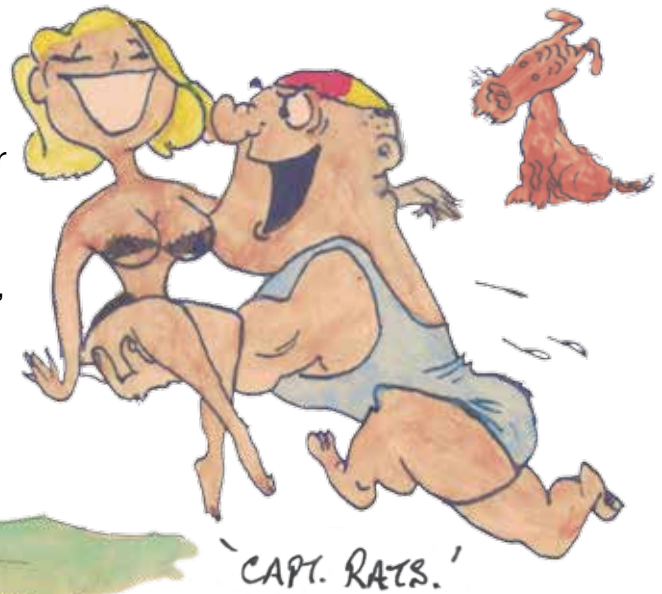

The new Surf Boat 'Blue Bottle IV' was taken back to Erskineville during the week for a boat crew to train at Tempe on the Cooks River - you would not believe the chaos caused by parking a surf boat outside the Erskineville Hotel. The Erko was the Sydney Clubhouse and very

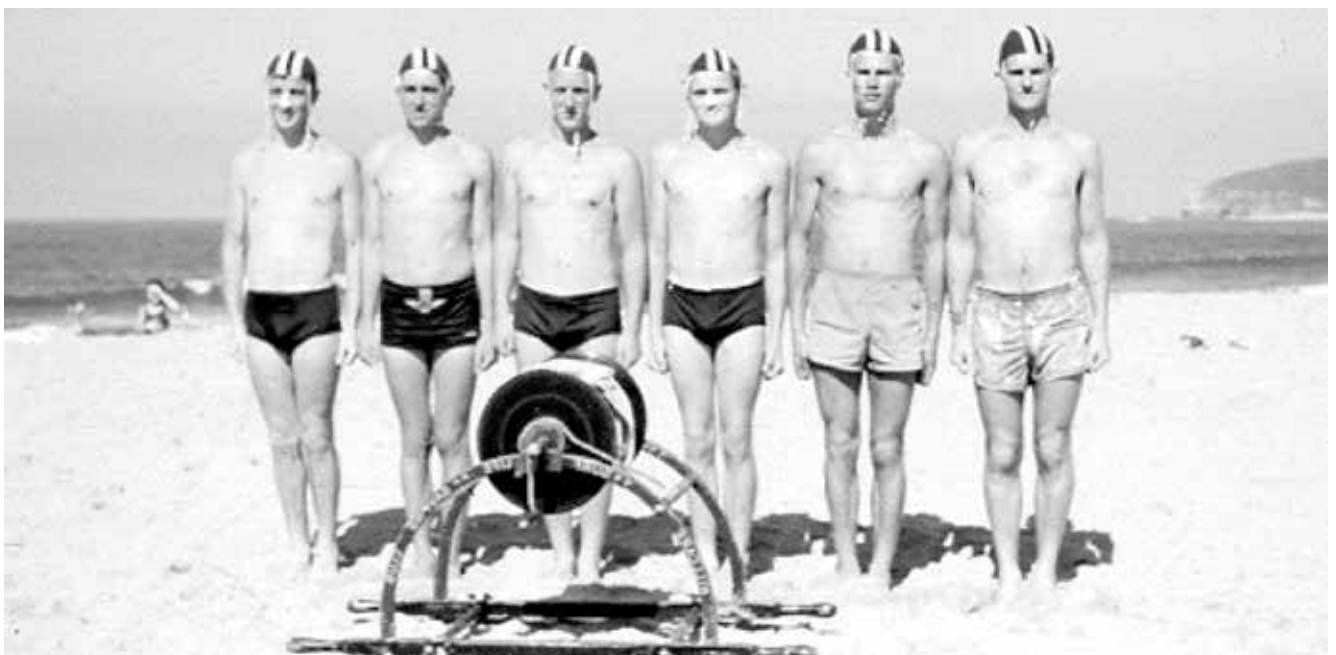

successful raffles and other fund raisers were carried out there along with Club meetings.

Every year a bus was hired by the fund raising Committee to bring the local supporters to Killcare for the day. Many had never been to the beach let alone somewhere as remote as Killcare.

In all, 50-60 past members of Killcare originated in 'Erko', some still tied up in the club some way or other. Some of the Erko Boys still around the club include Jim Mcfadyen, Dennis Howard, Greg & John Bourne, Jim Tubby, Phil Tubby Snr, Brad Berry, Ray Comans & son Blake Comans, Clarrie Kemister, Gus Gurrin & Richard Moulton.

Illustrations by Kev Annand(?). Greg 'Groogy' Bourne, Dennis 'The Shoe' Shoebridge, Jim 'Mac' Macfadyen, Bill 'Slim Bill' Maxwell, Phil Tubby, Ray 'The Ogre' Ogilvy, Sailor the Dog, Jim 'The Shark' Tubby & John 'Capt. Rats' Bourne.

Bronze Training 1959 - (lto r) Rod Roberts, Phil Tubby, Bill Maxwell, Neville Hopkins, Roger Gurr, John Bourne

The first monthly meeting of Killcare Surf Club was held at the clubroom, Sunday January 25th, 1931

Attendance - Good.

Dr. Eric Martin - Presiding,

There being no previous minutes the meeting was opened in the usual manner. Mr. Hadaway then offered to take over the Secretary-ship from Mr. Smith and the offer was accepted with thanks.

Mr. Smith was then thanked for the work that he had done in connection with the club,

ELECTION OF OFFICERS.

Mr. J. Brooker was unanimously elected Club Captain.

Mr. F. Annand was elected to the position of Vice-Captain.

Mr. A. Martin and Mr. J. Smith were elected as Gear Stewards.

Mr. W. Gullfoyle and Secretary as Delegates to the S.L.S.A.

The Social Committee consisted of Mr. J. Nock, Mr. W. Gullfoyle, Dr. E. Martin, Mr. F. Annand and Mr. Hadaway.

GENERAL BUSINESS

Moved Mr. Atkinson seconded Mr. Gullfoyle the secretary write to the Association thanking them for the donation of the handbooks. Carried.

Moved Mr. Young seconded Mr. Smith the secretary write to the Avoca club inviting them to Killcare on the last Saturday in February - Carried.

Mr. Brooker then spoke on a triangle for a Shark Tower.

Moved Mr. Young seconded Mr. Arbour that we purchase the triangle as described. Cost 20/-. Carried

Moved Mr. Hadaway seconded Mr. Nock, that the timber be left in the hands of Mr. F. Annand for the Shark Tower. Carried.

A discussion on Colours then took place and it was decided to register Maroon and Gold, as our club colours. Carried.

Moved Mr. Young seconded Mr. Caples, that the squad to train for their Bronze Medallions be selected by the Hon. Instructor, the Captain and Vice-Captain. Carried.

Moved and seconded that the boards be procured and to be placed in conspicuous places, stating that, the club will patrol the beach between the following hours, Saturday 1p.m. to 6p.m. Sunday and Public Holidays 9a.m. to 5p.m. Carried.

There being no further business the meeting closed.

B. Hadway Jr.
Hon. Secretary.

Killcare Surf Life Saving Club Inc.
Annual General Meeting - 2nd July, 2016

Meeting Opened: 1. 15pm

Present: J. Bourne, Y. Hayter, G. Linnert, G. Lofberg, J. MacFadyen, C. Sheppard, P. Bagnall, J. Edwards, T. Buckley, E. Buckley, A. Cameron, S. Biddulph, G. Judd, K. Hughes

Apologies: D. Howe, N. Urie, B. Cameron, S. Purcell, D. Sneddon, M. Cooper, L. Hayter, M. Hayter, S. Hayter, W Teasdale

Apologies
Accepted: G. Lofberg
Seconded: C. Sheppard

P. Bagnall: Welcome to all attending and special mention is to welcome Life Members.

Business Arising Nil

Adoption of the minutes of the previous AGM.

Moved: J. McFadyen
Seconded: P. Bagnall
Passed.

Adoption of the minutes of the previous Special General Meeting.

Moved: C. Sheppard
Seconded: J. McFadyen
Passed.

Annual Report received and adopted:

Moved: J Madfadyen
Seconded: J. Edwards
P. Bagnall expressed thanks to Craig Sheppard for producing the Annual Report and to M. Hofer for the dedicated way she has managed the accounts of the Club in her tenure.

Financial Report:
M Hofer report read by P.Bagnall:

I would like to welcome everyone today to the 2016 AGM, and a particularly warm welcome to our patron Jim MacFadyen and our Life Members.

Another year has passed, and it's with great pleasure that we have reported another profit of \$11,439. This is our 4th consecutive profit, and something we are extremely proud of, given the turbulence of this past year with some changes in the key committee members mid-season, at a key point in time.

This was a tricky year with lower than anticipated income in several key areas. Our membership base was down, which has a knock on effect elsewhere. But more importantly, our sponsorship and donations fell, our fundraising income was down, and grants were down - all of which were considerably lower than expected. The committee has taken steps to start preparing a strategic planning doc for the season ahead, and have some better forwarda thinking and planning in areas including building our membership base and fundraising, and to look at ways to improve on the declines seen last year.

All that aside, on the whole, the club is in a fantastic position financially, with excellent cash reserves, and a strong base which should see it continue to operate in the same positive way we have seen over the last 4 years.

I wish to congratulate the Committee on this year's fantastic result. The Committee continues to be frugal and wise with its spending, all the while ensuring the Club's building is properly maintained, and our equipment and core operations are top quality.

I would like to thank Fortunity for coming on board as our new auditor for the next 3-plus years, and appreciate their sponsorship by way of their audit services provided.

I would like to thank our President, Peter Bagnall, for his injection of passion, commitment and direction into the Club, and wish to thank and recognize my fellow Committee members for your fantastic support, leadership, and organisation skills this past season. I have truly enjoyed my tenure as Treasurer and whilst I will not be standing again this year, I am looking forward to continuing to assist the incoming Committee where possible.

Thankyou
Michaela Hofer

Confirmation of D Sneddon Long Service

Subject to confirmation of satisfaction of the requirements, meeting endorsed the confirmation.

General Business:

J. Bourne asked new Committee to consider having a re-union at the end of the season - Committee to check and arrange if it is the 75th Anniversary of the Club. Sub-Committee to be formed - P. Bagnall to arrange with new Committee.

E. Buckley proposed program for support of Cadets and young members - very good initiative to be put to new committee for action.

G. Judd offered to assist with the tidying up of mailing lists and emails - K. Hughes will engage to obtain assistance.

A. Cameron asked for verification that S Purcell has satisfied the requirements to be given long service as documented in the Annual Report - new committee to follow up.

Meeting closed: 1:45

Killcare SLSC's First President, Dr E.A. Martin
pictured in 1932 during R&R training

President Peter Bagnall

Another season has come to an end with no major incidents on our beach which is a real credit to our patrolling member. This season was my first full season in the position as President and although there were some challenges it still gives me great pleasure in being involved with such a great bunch of people that we have in our club. As with last year I feel the 2016/17 saw us take some forward steps in strengthening the club. However we also faced a few hurdles that I feel stalled us in growing but definitely we, as a committee have recognised where our strength and weakness are and are working hard to address these issues.

As is fairly well documented by now we had a change of ownership in our upstairs café with Horizons unexpectedly selling and Latitude 33 taking over. Whilst it is a pleasure in welcoming Jay and his team at Latitude 33 it is fair to say that we were caught out by the sale. Horizons were struggling at times due to various reasons in regards to keeping their doors open and the committee worked very hard (in particular Michaela Hofer last season and then Therese Buckley this season) to help them through their tough times with a reduced payment plan with the idea of repaying when back on their feet. Unfortunately this agreement was not honoured. In saying all this things are working out with the team at Latitude and we are enjoying a lot better working relationship with Jay and his team.

As per last year we struggled in not having a Chief Training Officer and this is an area we realise effects the growth of our club. A big thank you goes out to Greg Linnett, Malcolm Cooper, Dave Sneddon and Craig Sheppard in filling in at different stages in helping with training and getting a few members through with Bronze and SRC awards. Hopefully next season this situation will be rectified and we will once again be able to provide this valuable resource for our members and strengthen our patrols.

A big thank you goes to our Club Captain Greg Linnert who did a huge job in organising our patrols and making sure the beach was patrolled all season long and keeping the public safe on Killcare Beach. As with all jobs on the committee a lot of work behind the scenes takes place and this is greatly appreciated.

Another member who had her first year on the committee and certainly a baptism of fire in regards to café sale was our Treasurer Therese Buckley. I cannot thank Therese enough for her assistance and support during this period. Therese, with her experience and her expertise was of valuable assistance and support to me throughout the season and has kept our accounts ticking over in a positive direction, keeping us all in check with our cash flow and keeping the Club in a strong financial position.

To our secretary Garry Lofburg; once again Garry was valuable in supporting me in regards to correspondence and logistics side of running the club. Garry spends many hours behind the scenes working on club matters and without Garry's assistance and expertise I would definitely find my job a whole lot harder. It is largely a position that goes unrecognised by members but is one of the most important positions in the club.

A position was created this season and that was of Club Chaplain which is held by Stephen Hinks. This position was recognised by the committee as another way of providing a service to our members, providing someone to talk to if needed in times of stress after major rescue or grief or any situation where a member just needed a chat. I thank Steve for providing this service.

Nic Urie once again has done a great job in keeping our building in top shape and works closely with both external suppliers and our tenants in keeping building in top condition. As you can imagine with the building facing the extreme elements of the sea and wind this is a full time job in itself. We were able to have the full inside of the building freshly repainted and planned for a full painting of the building in the new season.

The Killcare Nippers once again had a strong season with a big thank you to Craig Sheppard for all his efforts throughout the season. A big thank you goes to all our age managers and their helpers who work tirelessly on the beach each Sunday morning. Although we were not represented in numbers as in the past at nipper carnivals those who represented Killcare certainly did us proud.

It is also with great pleasure to announce that for all his efforts throughout the year that Craig Sheppard was awarded Volunteer of the Year Award at recent Branch Award of Excellence. This is a very prestigious awards and Craig is a very deserving recipient.

The club certainly had some highlights this season starting with hosting the Raising of The Flags for the start of the season. This was supported by the Rookies from all the other 14 clubs on the coast and was great day with lots of positive feedback from branch and attendees alike.

Once again our Annual Art Show was a success and a big thank you to all who helped in making this a success. An extra special thank you goes out to Cathy Baker and her team at Belle Property Group for their work in organising, preparing and running of the Art Show. As if this was not enough to organise someone in their wisdom (ie yours truly) decided it would be a great idea to hold a New Years Eve party in the middle of this. So New Years Eve was spent dismantling art show , setting up stage for band then New Years Day morning spent resetting up art show for a 10am opening. Don't mind telling you I didn't have too many friends that morning and I promise Cathy I won't have another brain storm like that again, but a big thank you to all who assisted over these two days.

Congratulations go to our major award winners for the season, Jennifer Webb, Therese Buckley and Kynan Hughes and of course Patrol of the Year lead by Bryce Cameron and his Patrol 9.

Once again, a massive thanks to all our members for their time and dedication for the season.

I would like to take this opportunity to thank our sponsors and supporters including Belle Property, Killcare Beach Kiosk, Latitude 33 Restaurant, United Service Station, Streets, Central Coast Council, The Fat Goose, Edwards Butchery, and all our local businesses and community - a big thank you to all.

Also thank you to Surf Life Saving Central Coast, and SLSNSW.

Finally I would like to take this opportunity to thank all committee members of Killcare SLSC and also to their spouses , partners and their families. To run a club like ours requires many hours that at times takes us away from our families, and to our valued patrolling members we would not be a club without the many hours our members spend patrolling our beaches to make them safe all season.

Peter Bagnall
Killcare SLSC

Removing rocks to build the 'Bogey Hole'

Frank Garlick, Alan Vaughan & Alan Cameron
pictured in 1949 below Lizard Rock

Director of Administration
Garry Lofberg

2016/17 was a solid season based on re-building the strengths of our Club. On the beach, we were successful again in keeping all who visited safe (despite a few difficult moments). In the Club room too, we were diligent in all aspects of Club Administration.

With Pete Bagnall and Greg Linnert at the helm, our members were well looked after which was evident from the attendance at several innovative competitive and social functions that were held during the season.

I thank all our members for the role they played in continuing to offer Killcare as a safe place for our swimming public. To all of my colleagues on the Committee, thank you for your support and the many hours of service you offer to the community.

I am confident that your Club is in good hands and that it is on track for a strong and healthy future. Thank you all for your contributions and I look forward to seeing you on the beach next summer.

Jim Saunders and Ken Raymond
preparing for a belt rescue in 1959

Director of Lifesaving Greg Linnert

Firstly I must thank every Patrolling Member for their dedication and outstanding performance this past season, as the statistics below show the beach was closed on 25 occasions due to large and dangerous surf making patrolling testing, although the number of rescues are less than previous year there were some serious situations which may have had tragic outcomes without the intervention of Killcare Surf Life Savers.

| | 2015/16 | 2016/17 |
|---------------------|----------------|----------------|
| Patrol Hours | 5011 | 5175 |
| First Aid | 102 | 104 |
| Rescues | 61 | 46 |
| Preventitive | 679 | 532 |
| Beach Closed | 4 | 25 |

A few people to note; the always reliable Patrol Captains. #1 Peter Bagnall, #2 Paul Duffy, #3 Mal Cooper, #4 Nic Urie, #5 Mark Krebs, #6 Phil Tubby, #7 Greg Judd, #8 Angus MacKay & #9 Bryce Cameron. Thank you for your professionalism and skills in managing the beach and maintaining a safe environment.

Mal Cooper for his continued assessment supervision and advice on training, Bryce Cameron for Board Training and my back up for all things Life Saving, John Bourne for his sprint training and never ending commitment to his team, opening and maintaining the Gym, Yvonne Hayter for stocking and maintaining the First Aid room, Tony Newton for maintaining the IRBs and making sure fuel is always available and Jennifer Webb and Emily Buckley for their assistance as junior Captains.

To the committee who have given me great support, Peter Bagnall who as President has worked tirelessly attending to Club matters, Therese Buckley who has controlled the finances and any other thing that needed doing, Garry Lofberg for his administration and continued commitment to the Quality Club Program, Nic Urie for his often unnoticed maintenance of the Club House and Club Pizza maker, Craig Sheppard for his commitment to the younger members of our club, always there to set up on a Sunday morning and attending to the unending administration attached. Craig is also the unseen face behind our outstanding Club Newsletter, Kynan Hughes for looking after member services and attending to anything IT, our Club Chaplain Stephen Hinks who regularly visited the patrols and was always available when needed and Dennis Howard for his OH&S knowledge.

Again Thanks to every Member who has assisted me this past season.

Greg Linnert
Director of Life Saving.

KILLCARE SURF LIFE SAVING CLUB

STATEMENT OF INCOME AND EXPENDITURE
FROM NOVEMBER 30, 1960 TO JUNE 30, 1961

HONORARY AUDITORS REPORT

I have examined the Cash Book and Bank Pass Sheets of the Killcare Surf Life Saving Club for the period of seven (7) months from November 30, 1960 to June 30, 1961, and have obtained all the information and explanations required by me. In my opinion, the above Statement of Assets and Liabilities is drawn up so as to exhibit a true and correct view of the affairs of the Club as at June 30, 1961 according to the best of information and explanations given to me.

.....
(J. Tubby)
Hon. Treasurer

.....
(J. A. S. Leong)
A.A.S.A. (Prov.)

Director of Finance Therese Buckley

The 2016/17 club year started with the implementation of the new accounting system, Xero. This has allowed a more streamlined process for all accounting procedures for the club.

The committee is very pleased to report a profit for the year of \$49,937. This was mainly due to receiving the NSW Government SLSC Facility Grant 2016/17 of \$61,159. The grant was for funding to address mandatory and statutory tasks to protect the function and operation of the facility. This has allowed the club to execute a programme of repairs and improvements to the club house including sanding of function room floor, replacement of lock mechanism to emergency doors and internal painting with plans for further repairs to be done by December 31 2017.

The following tables provides a snapshot of the Clubs profit and loss performance for the year, compared to previous years:

| | 2016/17 | 2015/16 | 2014/15 |
|--------------------------|-----------|-----------|-----------|
| Total Revenue | \$213,615 | \$140,680 | \$187,247 |
| Total Expenditure | \$163,678 | \$129,271 | \$161,667 |
| Profit/Loss | \$49,937 | \$11,439 | \$25,580 |

Revenue Breakdown:

- Functions/Café Revenue was lower than the projected forecast due to 2 issues. First one being the previous tenants failure to meet rental obligations over the quieter winter period. The Committee agreed to a revised rental schedule during this time. Second was the change in rental structure for the new tenants, Latitude 33, for the Function Room Hire.
- Art Show - once again a successful art show was held over the busy Christmas/New Year period with a net income of \$7300. Thank you to all members who contributed their time in helping as well as the fantastic job done by Cathy Baker and her team.
- Australia Day Door Knock Appeal - a very successful day raising \$3635.50. Thank you to Yvonne Hayter for organising the appeal and all the willing helpers on a very hot day.
- Sponsorship from Fortunity for Audit and Financial services to the value of \$6259
- Donations which was an increase from the 2015/16 to \$7749.50 which included a very generous donation of \$5000 from the Woods Foundation to go towards our Nipper and Youth programmes.
- Grants received from SLS NSW and Central Coast Council to the value of \$10,000.
- Membership income increased from the previous year to \$21,411

Expenses Breakdown:

- Expenses in the Administration Costs, Equipment Purchases and Member Expenses categories were met or were lower than projected forecast.
- There were some unexpected repairs in the Building and Equipment Repairs categories that were higher than projected. These included repairs to cool room, ice maker, elevator and unscheduled repairs to the IRB's.

Moving forward the Committee will work towards implementing a schedule for fundraising and continue to encourage sponsorship from our local community and visitors. We will also continue to work with Central Coast Council, SLSCC Branch, SLSNSW and SLSA for the future success of Killcare Surf Club.

I would like to thank the 2015/16 Treasurer, Michaela Hofer, who without her support and tremendous knowledge of the role, my job would have been much harder. I would also like to thank the team at Fortuity for their help and advice during the year.

Finally a huge thank you to all the 2016/17 Committee for their help and support. Without the passion and drive of these very special people the club would not be in the position it is today.

Therese Buckley

The first clubhouse was built in 1934, by the Gosford Shire Council, for the grand sum of, 150 pounds. Late additions to this very basic building included a boat shed, gear room, roofing and new floor, plus repairs and maintenance cost an additional 1200 pounds.

At the Annual General Meeting in September 1949 two Gosford Council Members were invited to inspect the surf clubhouse, at the time they agreed that something had to be done, as the general condition was appalling. After much discussion, and possibly a few ambers, it was suggested that a new clubhouse was the go.

The hypothetical was put that if Council supplied sand and concrete the club members would construct the building blocks from which the council would commence construction. In an act of optimistic faith the club purchased building moulds and proceeded to construct a number of blocks, which were stored adjacent to Darky Nathaniels home on Beach Drive. After much correspondence, and repeated requests for further advice and plans for the clubhouse, secretary Alan Buck, took the time to personally approach Gosford Council, the obvious answer was quickly forthcoming - no firm commitment had been given and council did not have the funds. The modest outlay had to be recouped and it was left to one of our associate members Mr. Joe Board to purchase these blocks to build a retaining wall for his home in Araluen Drive.

In 1966, due to the dilapidated condition of the clubhouse, club officials, J Macfadyen, J Tubby and N Hazard, were requested to inquire into the cost of a new building. One of Sydney's outstanding architects, Mr. Steven Kalmar, designed a modernistic 'A' frame building. The plans were approved by Gosford Shire Council, funds were raised, mainly at the Erskineville Hotel, owned then by surf club patron, Max Gornik.

First stage foundations were laid in 1968, but it was decided that this building was not in harmony with the surroundings and permission was rescinded by the council. The cost of foundations and Brian Green's gumboots was in excess of \$3000.

In 1970, under the leadership of Life Member and President Mr. Bob Brading, the first section of the current clubhouse was commenced.

The wife of our first President officially opened it on 27th March 1971, Mrs. Rose Martin. At the opening were three of the original members. The second section was opened ten years later.

This building is a true product of club effort. The Jarrah wood floor was destined for a dance hall at Terrigal but was exchanged by a Council Works Officer. The electric fittings never reached their work site in Sydney. The hot water system arrived from Rheem, shop damaged and at less than cost. The kitchen equipment was won in a card game at "City Tattisals", and other items personally supplied by members at their own cost.

Since the first clubhouse was erected in 1931 the elements have sort to move us from our current site.

In 1948 two weeks of torrential rain soaked the surrounding hills causing a slip of the mountain behind the clubhouse. This landslide moved the clubhouse off its foundations pushing it bodily fifteen feet foreword to overhang the front verge by three feet. The club stayed in this position, propped-up, for two weeks until the slide was cleared and sufficient manpower could be found to right the situation.

In 1958 a fierce storm with high northeast winds whipped up a huge sea, which devastated the south end of our beach. The creek run-off, which passed the front off the clubhouse, was three feet deep. The combination of runoff and wave action eroded the gentle grass slope to an eight-foot drop immediately in front of the club exposing rocks never previously seen.

By 1962 nature seemed to have settled and a boat shed was built behind the clubhouse, however in 1963 a rain soaked hill decided to drop in and destroy the back wall. Thoughts now turned to a new clubhouse adjacent to what is now the public carpark, the foundations were laid before the council changed its mind. So back to the old site.

In 1972 the new clubhouse was finished and firmly established, nature again intervened. A storm of similar magnitude to 1958 threatened the very doors; it was the work of Ian McCall and our local members who poured tons of rock fill and old car bodies into the enroaching ocean, which stopped the erosion.

It was later claimed that the falling tide was the saving factor, but we prefer to think it was the hard work of our volunteers that saved the day.

(above) Martin's Tea Rooms served as the inaugural Killcare SLSC Clubhouse until a new, purpose-built clubhouse was built by Council in 1934 (below).

Surviving a landslide in 1948, the '34 clubhouse was finally decommissioned and a new facility took its place in 1971 (above). In 2009 our current Clubhouse (under construction below) was opened to great fanfare.

Gear & House Nic Urie

Major maintenance works were undertaken this year on the building and fittings by the surf club as part of our obligations to the lease agreement with Central Coast Council.

A total of \$28,000 has been spent this year on replacing and upgrading various services and appliances.

- Balcony flood lights have been replaced with much lower energy LED lights which should translate to lower electricity bills.
- Timer switch on the gear room lights installed.
- Internal light fittings and faulty sensors replaced.
- Cool room compressor and motor was also replaced
- Plumbing fittings and drainage in a number of the bathrooms replaced.
- Electronic lock system replaced in the foyer doors being replaced and maintenance on the rear fire exit doors.

In addition to the maintenance we have incurred significant costs due to vandalism to the lift which resulted in an expensive emergency callout during the Easter holidays and over \$3500 in repair costs. As a result we have installed CCTV cameras to monitor the foyer and upstairs corridors.

If you have been upstairs recently, you'll have noticed our internal walls, doors, skirting boards and ceilings have had a face lift with an \$11000 paint job. Next on the list is the outside of the club which we hope will happen before the start of the next season.

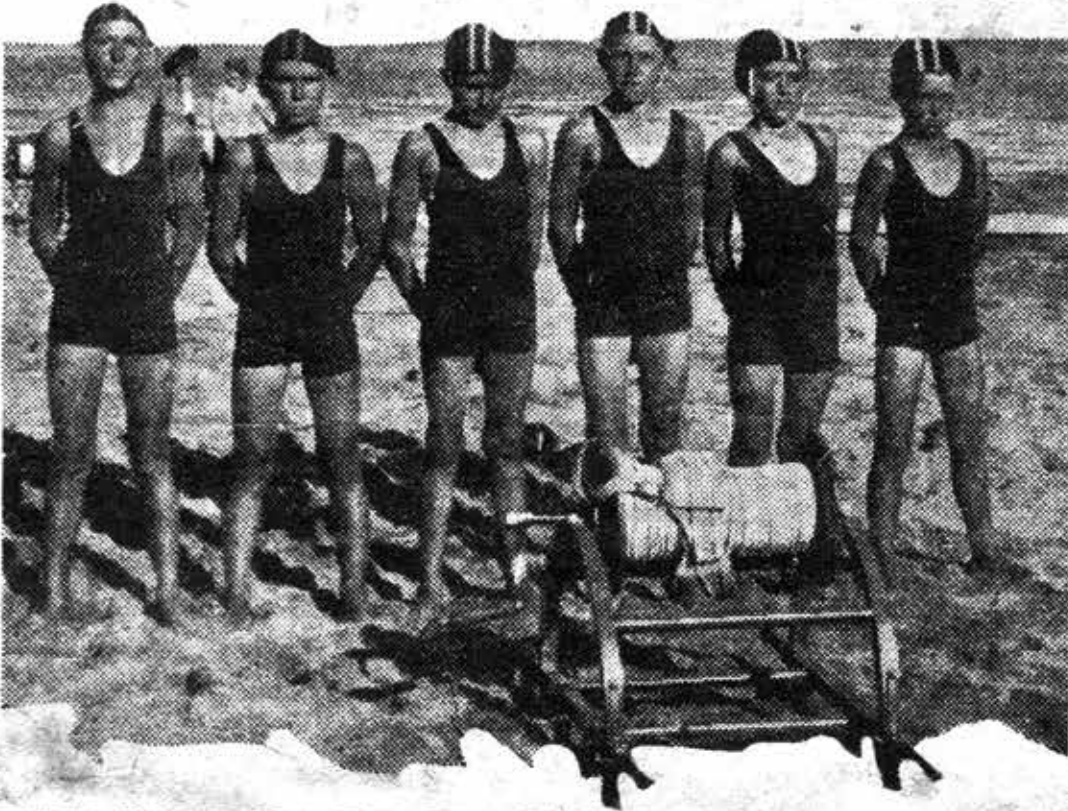

Central Coast Council has agreed to cover the substantial cost of replacing the badly corroded balcony roof and support steel beams. This is scheduled to happen towards the end of winter after a similar issue has been rectified at Copacabana SLSC.

On a final positive note, the mobile wood-fired Pizza Oven, donated last year by a local neighbour has seen regular use with our monthly Sunday Sips pizza nights. The dough is supplied by the Fat Goose, fancy toppings brought by club members and everyone pitches in to cook an endless supply of gourmet pizzas. Though a little irregular, we try to fire it up the first Sunday of every month and would encourage all of you to come and join us.

Nic Urie
Vice President, House

IN TROUBLE?—THEY'LL PULL YOU OUT

PUTTY BEACH, Woy Woy, Boys' Life-saving Squad. Left to right: W. Selwin, G. Kendrigan, H. Bateman, F. Myer, T. Barrett, L. Lamb.

Boys Won't Let You Drown At Putty Beach

INEXPERIENCED surfers who get carried out at Putty Beach, near Woy Woy, next season may find themselves hauled to safety by a ten-year-old life-saver, and revived in approved style by equally juvenile resuscitators.

The ten-year-old life-saver may be L. Lamb, of Killcare, junior member of what is claimed to be the youngest life-saving squad in the world.

The ages of the boys average just over 12 years.

Members of the squad and their respective ages are:—L. Lamb (10), T. Barrett (12), F. Myer (12), W. Selwin (14), H. Bateman (12), and J. Kendrigan (13).

Formed and trained by Dr. E. A. Martin, of Hardy's Bay, a prominent

Surf Life Saving Association official, the team has been giving remarkable demonstrations of its efficiency to thousands of visitors over the Easter holidays and week-ends.

With a small reel borrowed from Queenscliffe Club the boys perform all the standard drill set out in the association handbook, and their precision in marching, and the able manner they execute the rescue and resuscitation event is quite up to senior standard.

So keen are the boys that they practise in school recess, and enthusiasm has reached a stage that five or six teams will be training for the coming season.

Aiding Dr. Martin are Noel Hayten, of Coogee, and members of Palm Beach Club.

The object of the scheme is to provide future members for Killcare Club.

Were these Australia's first Nippers? Sydney Morning Herald, 1934.

Director of Junior Activities Craig Sheppard

2016/17 was another terrific season for Killcare's Nippers and Rookies. I've always taken the view that the primary aims of Nippers are about learning new skills that can save your own or someone else's life. It's about gaining confidence in your own abilities and stretching them. It's about facing fears and pushing past them. All while making friends, working as a team and absolutely above all having fun. If you did any or all of those, you won Nippers. That said, we had some great performances at carnivals and our own Club Champs but above all the spirit of the group and willingness to face their fears and overcome them while recognising their limits has been an absolute joy to see.

It's my honour to head up the junior programmes at the Club, but as always I stand on the shoulders of giants without whom nothing would be possible. I thank the entire committee and board, particularly our President Pete Bagnall and Director of Life Saving Greg Linnert who have been immensely helpful. Club Coach John Bourne has always been on hand to teach world-class beach skills to those who wished to take advantage while Bryce Cameron and Lisa Mount volunteered to head up board sessions during the week. The Club has greatly missed dedicated training resources this season, however an upside to that has been witnessing the generosity of the greater SLS movement in stepping up to help us out. I'm grateful to Graham 'Jono' Johnston from MacMasters SLSC for assisting in first aid training and to him and Bob Powell, SLSCC's Manager of Education as well as Samantha Jeffries at Branch for helping us out so quickly and efficiently in getting assessments through. As always the incredible Mel Ives at SLSCC has been unbelievably helpful in so many areas.

We're incredibly grateful to everyone who's pulled on the orange rashie and covered water safety this season. Not just making sure nobody gets into strife in the water, but the encouragement and guidance offered has been terrific. While I'm truly grateful to you all, one of the highlights of my season has been seeing so many of our younger members - not so far out of Nippers themselves - step into water safety. Week after week, without being asked, they came down and did for today's Nippers what someone did for them not so many years ago. Seeing the cycle of involvement continue is a wonderful thing and you are all a credit to the Club and Surf Life Saving.

Of course our Age Managers are the backbone of the programme. We're lucky to have such a great and committed group across all ages.

U/6 Scott Leivesly, Lauren Bradley, Hannah Jackson & Matt Griffin
U/7 Emily Buckley, Brad Gilbert, Rachael Hinchcliff & Matt Gurney
U/8 Adam Trew & Martin Haig
U/9 Deb Scarlett & Lisa Mount
U/10 Mal Laybutt & Ray Miller
U/11 Justin Woods & Scott Vernon
U/12 Chris Scarlett & Paul Merrick
U/13 Gil Wilkins & Paul Melenewycz
U/14 Jackie Perea

While our carnival participation has been down this season, those that did compete did so with great enthusiasm and Club spirit. We started the season at Wamberal in November where our U/14 runners - Daisy Hanslow, Sienna Scott, Abby Hopkinson and Mikayla Williams brought home silver in the relay while Daisy and Sienna scored 2nd and 5th respectively in the individual sprint. Olivia Melenewycz, picked up a bronze in the U/9 flags while Lexi Sheppard won the U8 sprint and came 2nd in the flags. Olivia and Lexi are surely names to watch in years to come.

Later that month it was up to Toowoomba Bay where the U/14 girls again got 2nd in the relay, with Daisy and Sienna scoring 2nd and 6th in the flags and Sienna picking up 5th place in the sprint. Olivia topped her Wamby outing with gold in the flags while Lexi came 2nd in the flags and the sprint. Flynn Krix came out and grabbed 6th place in the U/12 sprint.

At Terrigal in January Lexi again picked up 1st in the sprint and 2nd in the flags before being seconded into a Umina relay team where she helped them 2nd. Despite Umina's very kind offer, she will not be transferring.

We were a little unfortunate at the Branch Championships at Umina in searing heat, with Lexi again coming 2nd in the flags before the sprint was cancelled due to the sand being scalding hot.

Our end of season awards honour all aspects of Nippers. There are the Club Champs, held over two days during the season, which celebrate the more physical pursuits across all disciplines including swim, board, sprint and flags, and then there are the Age Managers and Outstanding Achievement awards which celebrate the spirit, participation, enthusiasm and personal growth of Nippers during the season.

Congratulations to all our recipients.

| JM Macfadyen Rookie of the Year | | | |
| Zac Webb | | | |

Particular congratulations to our JM Macfadyen Rookie of the Year, Zac Webb. As well as clocking up 196 hours on patrol this season, Zac has always been the first to put his hand up for any and all opportunities and responsibilities that the Rookie programme offers.

Our Rookies, the U/13 & U14's, are a particularly important group as a pathway from Nippers to senior ranks. They start taking on extra responsibilities and get a few perks to match such as the 'Rookie Camp', the Newcastle Permanent SLSCC 2016/17 Youth Leadership Program which was held at the Broken Bay Sport & Recreation camp. The camp aims to get the Rookies thinking about the future of their club and has a range of team-building and leadership activities. And, from all reports, it's a whole lot of fun.

As a bridge to lifesaving the Rookies begin serious qualifications. Congratulations to Daisy Hanslow, Sienna Scott & Mikayla Williams who received their Surf Rescue Certificate (CPR Endorsed) this season and are, as such, now qualified lifesavers.

Looking forward, there are a range of enhancements to the entire programme that will be of great benefit to all ages. We're also hopeful of starting the Killcare Dolphins Nippers, a special programme for kids with additional needs who are unable to participate in the 'regular' programme. Plans are also underway to formally integrate the 'Take 3' environmental initiative across the board.

Thanks to all mentioned and so many not mentioned for their support through the season, particularly my wife Megan and my daughters Eva and Lexi - along with the rest of the Committee, our commitment to the Club and the hours required is often at the expense of time spent with them. Thanks for your patience and understanding.

See you on the beach!

Craig Sheppard
Director of Junior Activities

Killcare has always been a very competitive club. In the 1940's were the Dodd Brothers, George an Australian Belt Finalist and brother Ken representing in State Titles.

Later came swimmers Colin Gow and Don Hollwell both of whom were outstanding belt men, and were to become Branch champions for the club.

During the 1950's Killcare came to the fore with what can only be described as our most competitive R. & R. team. The team of Jim Saunders, Ken Nowland, cousins Adrian and Bill Murphy, Brian Green and Alex Cameron, competed successfully at Branch and State carnivals for a number of years. Brian Green, during this period of strong belt-men on the coast, became another of Killcare's renowned belt swimmers.

The 1958 Killcare R&R Team - Ken Nowland, Jim Saunders, Lex Cameron, Adrian Murphy, Brian Green & Bill Murphy

The young Lex Cameron continued to be a competitive force for the club over a period of possibly 20 years and can only be described as a swimming icon. His brothers Jack and Alan were keen boatmen, Alan a sweep for a number of years.

Killcare boat crews over the years have been hampered by old and heavy boats, but were renown for their big sea challenges.

Possibly our best years were in the late 40's when a Junior and Senior branch title was won. 1953 with Ron Walters sweeping saw us make the semi-final at Manly, only to crack a big one and land at the next beach.

Beach Teams since the Steward Brothers from 1934-39, have always been in the Branch and State top ten, with Ken Steward our first state sprint Champion. Later came top runners, Hanscombe, Ginns, Beck and Vaux. From the 60's on Mison, Gregory and Neal, with a special mention of the Annand Brothers, John and Noel, who's Australian Titles lifted the club to new highs.

The 1949 Senior Boat Crew, Ron Walters, John Corfield, Bill Hanscombe, Alan Cameron & Don Whiting

The 1969 Chariot Team, Branch & State Champions - Cliff Deane, John Bourne, Phil Tubby, Brad Berry, Clarrie Kemister, Dean Kawelmacher

After two years as Branch sprint and flags Champion, John Annand left the club to successfully compete for Tamarama. He returned in 1967 to form a beach relay team which gave us our first Australian title, followed up by a barely recognised International title.

Killcare entered the doldrums as a competitive force from 1970 enjoying only mediocre success at Branch level.

From 2000 to 2006, coached by John Bourne, the Killcare Men's Beach Relay Team won 5 consecutive titles at the Australian Surf Life Saving Championships, 5 consecutive titles at the NSW Surf Life Saving Championships and 4 consecutive World Titles.

Over the years a few team members changed due to injury, work commitments and geography but the team spirit and enthusiasm never wavered.

The main runners through the glory years were Stephen Munnery, Brice Johnson, Andrew Hopper, Marcus Kain, Brett Westwood, Nathan McKay, Adam Bird, Dean Porter, Joel Maybury and Nick Leon.

From Manly to Daytona Beach Florida, Via Reggio Italy and Lorne WA, JB and his team dominated and are the only NSW Regional inductees to the Surf Life Saving Hall of Fame.

Marcus Kain, Steven Munnery, Brice Johnson & Andrew Hopper celebrating a win at the World Chamionships in Florida

Club Coach John Bourne

The past season 2016 / 2017 in my view was disappointing, patrol numbers were again down on previous years which of course increased the load on our existing members and raised the number of all-day patrols to 4 per season.

The weekly club handicap swim, sprint and flags were poorly attended, even allowing for the rough conditions experienced regularly into the second part of the season.

Although the club championships did have an increase in numbers, especially the final round which was well attended.

The season started very well with 3 competitors competing at the Branch selection trials. Katie Shoemith, Chloe Penn & Luke Hayter all were a chance to make the final team. Finally only Chloe Penn was announced in the final team for the second year running.

Another concern the club faced the past few seasons was the increasing members leaving the club to compete with stronger clubs, this problem was again evident when we were unable to field any boat crews this season after improving steadily over the past few years.

The Branch Championships were held this year at Ocean Beach and once again the weather played a major role. The opens were fine and we had a reasonably successful year, although considerably down on previous years but we were competitive and that is a plus.

Allowing for the very poorly run Carnival, the venue was a joke to say the least - nowhere up to a Championship Carnival.

It may be well worth thinking about us running the Branch Champs instead of Avoca & Ocean Beach gaining this financial bonanza, we certainly could run it better.

Our Masters team, although affected by a postponement for a week due to the weather which affected our numbers, also had some great results, especially in the water events.

This year State Titles were held at Swansea Belmont having the Beach Sprinters sign on at 7.00 for 7.30 start, eventually starting at 10.30 - must have been the same officials that ran the Branch.

We sent 8 competitors to the Open State and Andrew Stevenson competed at the Masters events in the Surf Race finishing a creditable 9th. place, he also competed in the Tube race.

In the Opens we fielded a men's open Beach Relay team which ran against very strong teams, they finished 3 rd. in the Semi final and 7th. in the final, the women's team due to no fault of theirs, was disqualified in the final.

Mitch Hayter once again proved he is capable of great results making the final of the beach flags.

Once again the team were a credit to our club, with their behaviour and ability for members being so young.

A very small team travelled to North Kirra for the Aussies this year, 5 people in all representing the club, plus Coach.

We arrived at Gold coast Airport Wednesday afternoon to really nice weather and then the rot set in.

All our plans went out the window when dear Debbie arrived, lucky we had time to get some provisions before it started to rain.

Our team was shattered when during Wednesday night Mitch Hayter woke in extreme pain, which was later diagnosed at hospital after a harrowing ride in the ambulance, doctors discovered he had internal bleeding and appendicitis.

We finally were allowed to compete on Saturday two days later than programmed, and only 4 events were completed at this year's Open Australian Titles - Beach sprint, Flags & Relay, plus R & R without the swim.

Due to the change in program and Mitch recovering from surgery we could only compete in the Beach Sprint. All 4 competitors ran exceptionally well and were not disgraced.

This being the first Aussies for our men's team consisting of Luke Hayter, Raf Lagos & Sean Yuille plus the injured Mitch Hayter, was most impressive and would guarantee a big future for this inexperienced team.

Our only female competitor Natasha Marteen also ran very well in the women's Semi Final.

The team conducted itself to the standard expected by our club and were no problem at all.

We llok forward to the 2017/18 season.

John Bourne

Executive Committee Report

Your executive committee members submit the financial report of the association for the financial year ended 30 April 2017.

Executive Committee Members

The names of executive committee members as at the date of this report are:

| | | |
|-----------------|----------------|----------------|
| Peter Bagnall | Nic Urie | Garry Loftberg |
| Greg Linnert | Craig Sheppard | Kynan Hughes |
| Therese Buckley | Emily Buckley | Jennifer Webb |
| John Bourne | Dennis Howard | Yvonne Hayter |
| Tony Newton | Stephen Hick | |

Principal Activities

The principal activities of the association during the financial year were the operation of a surf life saving club, by providing a safe beach and aquatic environment for the local community, and facilitating Surf Life Saving Courses run by Surf Life Saving Central Coast Inc.

Significant Changes

No significant change in the nature of these activities occurred during the financial year.

Operating Result

The surplus from ordinary activities of the association for the financial after providing for income tax amounted to \$49,937 (2016: \$11,439).

Signed in accordance with a resolution of the Executive Members.

Peter Bagnall

Therese Buckley

Notes To The Financial Statements For The Financial Year Ended 30 April 2017

1. Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 2009, the Australian Charities and Not-for-profits Commission Act 2012, the Charitable Fundraising Act 1991 and associated regulations. The committee has determined that the association is not a reporting entity.

Killcare Surf Life Saving Club Incorporated is an association registered under the Associations Incorporations Act 2009 and domiciled in New South Wales.

No Australian Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied in the preparation of this financial report.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

Inventories

Inventories are measured at the lower of cost and net realisable value.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

Property

Freehold land and buildings are measured on the cost basis.

Plant and Equipment

Plant and equipment are measured on the cost basis.

Depreciation

All fixed assets, excluding freehold land, are depreciated on a straight line or a diminishing value basis over their useful lives of the business.

Revenue Recognition

Revenue is recognised when it is probable that the economic benefit will flow to the incorporated association and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Sale of Goods

Sale of goods revenue is recognised at the point of sale, which is where the customer has taken delivery of the goods, the risks and rewards are transferred to the customer and there is a valid sales contract.

Statement by Executive Members

In the opinion of the Executive Committee:

- (i) the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. Accordingly, as described in note 1 to the financial statements, the attached special purpose financial statements have been prepared for the purposes of complying with the *Associations Incorporations Act 2009 (NSW)*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and associated regulations;
- (ii) the attached financial statements and notes comply with the Australian Accounting Standards as described in note 1 to the financial statements;
- (iii) the attached financial statements and notes give a true and fair view of the incorporated association's financial position as at 30 April, 2017 and of its performance for the financial year ended on that date;
- (iv) there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable;
- (v) the financial statements give a true and fair view of all income and expenditure with respect to fundraising appeals; and
- (vi) the internal controls exercised by the incorporated association are appropriate and effective in accounting for all income received and applied by the incorporated association from all fundraising appeals.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Peter Bagnall

Therese Buckley

Independent Auditor's Report to the Members of Killcare Surf Life Saving Club Incorporated

Report on the Financial Report

Opinion

We have audited the accompanying financial report of Killcare Surf Life Saving Club Inc. (the association), which comprises the statement of financial position as at 30 April 2017, statement of profit or loss & other comprehensive income and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

In our opinion the financial report of Killcare Surf Life Saving Club Inc. is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Association's financial position as at 30 April 2017 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Regulation 2013*.
- (c) the Charitable Fundraising Act 1991, including
 - (i) the financial report shows a true and fair view of the financial result of fundraising appeals for the year to which they relate; and
 - (ii) the financial report and associated records have been properly kept during the year in accordance with this Act and the regulations; and
 - (i) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with this Act and the regulations; and
 - (ii) Killcare Surf Life Saving Club Inc. is solvent, as it is able to pay its debts as and when they fall due.

Emphasis of Matter

The financial report of Killcare Surf Life Saving Club Incorporated is a special purpose financial report that has been prepared in accordance with the accounting policies described in Note 1 to the financial report.

Other Information

The Committee Members are responsible for the other information. The other information comprises the information included in the Association's annual report for the year ended 30 April 2017, but does not include the financial report or our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

Independent Auditor's Report to the Members of Killcare Surf Life Saving Club Incorporated

Other Information Continued ...

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears materially misstated.

If, based on the work performed, we conclude that there is a material misstatement of this other information, we are required to report on this fact. We have nothing to report in this regard.

Committee Members' Responsibility for the Financial Report

The Committee Members of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the committee members determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report the Committee Members are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless the Committee Members either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The Committee Members are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from Fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.

Independent Auditor's Report to the Members of Killcare Surf Life Saving Club Incorporated

Auditor's Responsibility for the Audit of the Financial Report Continued ...

- Conclude on the appropriateness of the Association's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any deficiencies in internal control that we identify during our audit.
