# Whatever You're Celebrating...

Killcare Surf Life Saving Club offers you a beautiful blank canvas to create memories that will last a lifetime.

The jewel in the crown of the Central Coast, Killcare Beach is a stunning 2km vista of national park and a haven from the crowds.

Perched at the Southern end of the beach, the surf club features a large auditorium extending out to full-length balcony angled to give you views all the way up Killcare Beach to Bouddi National Park. With state-of-the-art AV system, separate bar and function kitchen, this is a function venue that can accommodate your dream.

Our in-house restaurant, Spinnakers at Killcare, can look after your catering or you can bring in your own caterer. You can use our furniture or hire something more to your vision.

The choices are all yours.

# Your Day, Your Way

As well as the function space, Killcare SLSC features a beautiful, level and easily accessible lawn area and of course, the beach itself\*.

You can start your celebration outside and continue inside or have the complete function inside.

\* Use of the beach and/or lawn requires separate arrangement with Central Coast Council. We can assist you with this process.

Where does  
your rubbish go?

# Let us Help

If you know what you want and where to find it, fantastic.

If you need some assistance with caterers, florists, entertainment or anything else, we can point you in the right direction.

Our floral wedding service is here to help make your wedding day perfect and to celebrate an only love like no other. While all flowers are an essential part to the big day, one of the most important floral pieces for a wedding is the bridal bouquet. We offer a boutique selection of stunning florals perfect for the wedding party.

Customer-focused and community-minded, Belle Property Killcare are dedicated to delivering a personalised and tailored approach to each one of their clients. If you need local accommodation, Cathy and her team will ensure you are well looked after.

**Killcare SLSC is a Proud Club. Everyone is welcome.**

We believe that regardless of an individual's sex, sexuality, gender identity or any other defining characteristic, everyone involved in Surf Life Saving should be included and engaged in a positive and meaningful way, which benefits both the individual and the movement.

Killcare Surf Life Saving club acknowledges all Aboriginal people, traditional custodians of the land on which our Club sits and the beach that we enjoy, respect and protect. We pay our respects to the Elders past, present and future, for they hold the memories, the traditions, the culture and hopes of Aboriginal Australia. We must always remember that under the concrete and asphalt Killcare always was and always will be traditional Aboriginal land.
